1. Guangzhou Development Industry (Holdings) Co., Ltd. (600098)

Main business involves energy, infrastructure and logistics industry investment, construction, management and operation.

2. Guangdong Electric Power Development Co., Ltd. (000539)

Main business involves operation and construction of power station and electricity transmission & transformation project.

3. Xinjiang Tianfu Thermoelectric Co., Ltd. (600509)

Main business involves thermal power, hydropower and thermoelectricity supply.

4. Shenergy Company Limited (600642)

Main business involves electric power and energy investment, construction and operation management.

5. Huaneng Power International Inc. (600011)

Main business involves large-scale thermal power plant development, construction and operation nationwide taking advantage of modern equipment, technology and domestic & foreign capital, providing reliable power supply to users.

6. Guangzhou Hengyun Enterprises Holdings Ltd. (000531)

Main business involves production and selling of electric power and thermal power.

7. Harbin Shirble Electric-Heat Co., Ltd. (600864)

Main business involves thermal and electric power supply.

8. Sichuan Mingxing Electric Power Co., Ltd. (600101)

Main business involves thermal and electric power supply; electricity transmission & transformation project, line and equipment installation and construction; water heating equipment, fire fighting equipment, hardware, electrical

appliance, instrument and auto parts retailing and wholesale; tap water supply, hotel, natural gas supply, oil and gas development, manufacturing, and construction industry investment.

9. Anhui Wenergy Company Limited (000543)

Main business involves electric power and energy saving project.

10. Shenyang Huitian Heating & Electricity Supply Co., Ltd. (000692)

Main business involves city heating supply.

11. Shenyang Jinshan Thermoelectric Co., Ltd. (600396)

Main business involves thermal power generation, heating supply; coal powder and metal materials selling; circulated water comprehensive use; technology service, etc..

12. Guangdong Meiyuan Hydropower Co., Ltd. (600868)

Main business involves hydropower generation, construction installation, tyre products production and selling, spirulina breeding and processing.

13. SDIC Huajing Power Holdings Co., Ltd. (600886)

Main business involves hydro-power project and large scale thermal power project development, construction and operation.

14. Beijing Jingneng Thermal Power Co., Ltd. (600578)

Main business involves electric power and thermal power products production and selling.

15. Ningbo Thermal Power Co., Ltd. (600982)

Main business involves thermoelectricity joint production.

16. Guizhou Qianyuan Power Co., Ltd. (002039)

Main business involves development, construction, operation and management of thermal power and hydropower station.

17. Top Energy Company Ltd. Shanxi (600780)

Main business involves thermal power generation.

18. Shanxi Zhangze Electric Power Co., Ltd. (000767)

Main business involves production and selling of electric power products.

19. Wuhan Kaidi Electric Power Co., Ltd. (000939)

Main business involves design, construction, fitting, installation, debugging and training of FGD project in coal burning power plant, clean coal combustion technology and project, sewage treatment project, garbage resource recycling disposal project, condensate polishing in thermal power plant, boiler feedup water treatment, and scale prevention and removal project for recycling ash-water and backwater.

20. Shenzhen Nanshan Power Station Co., Ltd. (000037)

Main business involves electric power generation.

21. Qianjiang Water Resources Development Co., Ltd. (600283)

Main business involves hydropower generation and city water supply.

22. Shenzhen Energy Investment Co., Ltd. (000027)

Main business involves electric power generation.

23. Shanghai Electric Power Co., Ltd. (600021)

Main business involves electric power and thermal power generation and selling.

24. Chongqing Three Gorges Water Conservancy and Electric Power Co., Ltd. (600116)

Main business involves electric power generation and supply.

25. Guodian Changyuan Electric Power Co., Ltd. (000966)

Main business involves electric power generation and operation.

26. Zhengzhou Coal Industry & Electric Power Co., Ltd. (600121)

Main business involves coal production and selling, electric power generation, transmission and transformation.

27. Huadian Power International Corporation Limited (600027)

Main business involves power plant development, construction and operation

nationwide taking advantage of modern equipment and technology, providing reliable power supply to users.

28. Northeast Electric Development Company Limited (000585)

Main business involves full-closed combined electrical appliance, high voltage switch, capacitor and closed generatrix protection, transmission equipment manufacturing and marketing.

29. Shandong Luneng Taishan Cable Co., Ltd. (000720)

Main business involves electric power generation and selling; electric line and cable, electronics, electric appliance and apparatus, transmission and transformation equipment, rubber and plastics products production and selling; metal materials pressing and processing; expressway fence, iron tower and model materials production, selling and installation.

30. Shijiazhuang Dongfang Thermoelectric Co., Ltd. (000958)

Main business involves electric power and thermal power generation and selling, engineering construction, etc..

31. Jilin Power Share Co., Ltd. (000875)

Main business involves electric power products production and on-line selling.

32. GD Power Development Co., Ltd. (600795)

Main business involves electric power and thermal power generation and selling, electric gird operation; new energy project, high and new technology and environmental protection industry development and application; information consultation.

33. Fujian MingDong Electric Power Co., Ltd. (000993)

Main business involves electric power generation and development.

34. Datang International Power Generation Co., Ltd. (601991)

Main business involves thermal power generation, also some hydropower generation.

35. Guangdong Shaoneng Group Co., Ltd. (000601)

<p>Main business involves energy development, road project design, building materials and real estate development; mechanical and electrical products, building decoration materials, metal materials, mineral products (excluding noble metal), hardware, household appliance, knitted textiles, coal, heavy oil selling; electric power production and zirconium series development, production and selling (only limited to branch); self-made products and technology exporting, mechanical equipment, parts, raw materials and accessories and technologies that enterprise need importing (excluding that State limited or prohibited)</p>	
<p>36. Dalian Thermal Power Co., Ltd. (600719)</p>	
<p>Main business involves electric power generation, heating supply and thermoelectric joint production.</p>	
<p>37. Hunan Chendian International Development Share-Holding. Co., Ltd. (600969)</p>	
<p>Main business involves electric power supply.</p>	
<p>38. ChongQing FuLing Electric Power Industrial Co., Ltd. (600452)</p>	
<p>Main business involves electric power supply and selling.</p>	
<p>39. China Yangtze Power Co., Ltd. (600900)</p>	
<p>Main business involves hydropower generation.</p>	
<p>40. Guangxi Guidong Electric Power Co., Ltd. (600310)</p>	
<p>Main business involves hydropower production and selling. And it forms complete grid system with power generation and supply.</p>	
<p>41. Hunan Huayin Electric Power Co.,Ltd. (600744)</p>	
<p>Main business involves electric power production and selling, also electric engineering construction, real estate development and high scientific technology project development.</p>	
<p>42. Leshan Electric Power Co., Ltd.(600644)</p>	
<p>Main business involves local middle</p>	

and small scale hydropower and thermal power development, production and selling, electric power dispatch.

43. Chongqing Jiulong Electric Power Co., Ltd. (600292)

Main business involves electric power production and selling; environmental protection equipment development and application, environmental protection project construction; electric power inspection & control products and other high & new technology development and application.

44. Guangxi Guiguan Electric Power Co., Ltd. (600236)

Main business involves water and electric power products production and selling.

45. Sichuan Minjiang Hydropower Co., Ltd. (600131)

Main business involves hydropower generation, also developing related power transmission and supply.

46. Sichuan Xichang Power Joint Stock Co., Ltd. (600505)

Main business involves electric power generation and supply.

47. Huadian Energy Company Limited (600726)

Main business involves electric power production, power plant turnaround, electric power technology service and consultation.

48. Inner Mongolia MengDian HuaNeng Thermal Power Corporation Limited (600863)

Main business involves electric power generation and heating supply.

49. Jiangxi Gangneng Co., Ltd. (000899)

Main business involves hydropower and thermal power generation, energy-saving project development, boiler installation and maintenance, etc..

50. Henan Yuneng Holdings Co., Ltd. (001896)

Main business involves electric power development, production and selling.

51. Electric Power Development Co., Ltd. (000534)

Main business involves power plant and station investment and construction, electric power supply; smoke heating

supply.	
52. Chifeng Fulong Heat Energy and Electric Power Co., Ltd. (000426)	
Main business involves electric power generation (approved by stipulations and laws), heating supply, investment and assets operation, etc..	
53. Wuhan Xianglong Power Industry Co., Ltd. (600769)	
Main business involves electric power generation and supply, heating supply, basic chemical materials production and selling.	
54. Sichuan Chuantou Energy Co., Ltd. (600674)	
Main business involves electric power development, electric power production and operation, technology service and consultation for electric power industry.	
55. Yunnan Wenshan Electric Power Co., Ltd. (600995)	
Main business involves hydropower power generation, power supply and distribution.	
56. Sichuan Guangan AAA Public Co., Ltd. (600979)	
Main business involves hydropower power generation and power supply; natural gas supply; tap water production and supply.	
57. Tianjin Binhai Energy & Development Co., Ltd. (000695)	
Main business involves electric power, vapor and hot water production and related technology consultation.	

Agriculture, Forestry, Farming and Fishing

1. Guangxia (Yinchuan) Industry Co., Ltd. (000557)	
Main business involves eco-agriculture industrialization, natural products growing, processing and selling, etc..	
2. Xinjiang Chalkis Co., Ltd. (000972)	
Main business involves industry (tomato processing), farming, and	

international (domestic) trade.

3. Heilongjiang Agriculture Company Limited (600598)

Main business involves paddy, soybean, wheat and corn production and selling; urea production and selling.

4. Sichuan New Hope Agribusiness Co., Ltd. (000876)

Main business involves feedstuff and its downward and upward products production.

5. Sichuan Hejia Co., Ltd. (600093)

Main business involves agricultural by-products deep processing and selling; high quality paddy and wheat seed production, selling and technology service; valve manufacturing, etc..

6. Daying Modern Agriculture Co., Ltd. (600844)

Main business involves agriculture production, processing, circulation and service, also real estate development.

7. Hefei Fengle Seed Co., Ltd. (000713)

Main business involves crop seed, pesticide, special fertilizer, phytohormone, agri-chemical products, menthence and its derivatives, agricultural by-products and deep-processed products.

8. Hunan Zhenghong Science and Technology Develop Co., Ltd. (000702)

Main business involves feedstuff development, production and selling; agricultural industrialization development; bioengineering project investment and development; import & export allowed by Qualification Certificate of Import & Export Enterprise of P.R.C.

9. Jilin Forest Industry Co., Ltd. (600189)

Main business involves wood products, plate products, forest chemical products, paper products and medical health-care products production and selling, import & export trade, etc..

10. China Animal Husbandry industry Co., Ltd. (600195)

Main business involves production materials trade for feedstuff industry, animal

health-care products industry and stockbreeding industry.

11. Beijing Shunxin Agriculture Co., Ltd. (000860)

Main business involves grain, economic crops, vegetables, and fruit tree planting, processing and selling; distilled spirit production and selling; meat processing and selling; beverage production and selling; high quality seed breeding and agricultural technology service, etc..

12. ShanDongDenghai Seeds Co., Ltd. (002041)

Main business involves “Denghai” and “Xibai” brand corn hybridized seed, cabbage hybridized seed and other seeds breeding, production and operation.

13. Yuan Longping High—tech Agriculture Co., Ltd. (000998)

Main business involves high-tech crop seed and seedling such as hybridized rice and vegetable breeding, propagating, popularizing and selling; new-type pesticide and fertilizer research, production and selling; agricultural by-products policy allowed deep processing and selling; providing high and new technology development and result transfer; agricultural technology consultation and training service, etc..

14. Fortune Ng Fung Food (Hebei) Co., Ltd. (600965)

Main business involves beef cattle breeding, slaughtering and processing, live cattle and beef selling.

15. Gansu Yasheng Industrial (Group) Co., Ltd. (600108)

Main business involves agricultural breeding and processing, printing and dyeing, beverage, chemicals (polyvinyl alcohol), import & export trade.

16. Hunan Jinjian Cereals Industry Co., Ltd. (600127)

Main business involves high quality grain and oil products, new-type food, agricultural by-products, oil chemical products and high quality rice seed development, production and selling; hotel

caterings, self-made products, technology and equipment import & export.

17. Dalian Zhangzidao Fishery Group Co., Ltd. (002069)

Main business involves shrimp, scallop, sea cucumber and sea-ear seedling, breeding, processing and selling.

18. Hunan Jinguo Industrial Co., Ltd. (000722)

Main business involves agricultural by-products processing and trade, passenger transport, chemical materials and rubber products wholesale, cable, electric wires and optic cable production and selling; traffic and energy industry investment and operation.

19. Shandong Jiufa Edible Fungus Co., Ltd. (600180)

Main business involves edible fungus and related products breeding, processing and selling; bio-organic compound fertilizer production, selling and import & export trade.

20. Haikou Agriculture & Industry & Trade (LUONIUSHAN) Co., Ltd. (000735)

Main business involves producing and selling ping, chicken, fresh eggs, non-pollutant vegetables and other agricultural by-products.

21. Tongwei Co., Ltd. (600438)

Main business involves producing and selling feedstuff and additives.

22. Shenzhen Kondarl (Group) Co., Ltd. (000048)

Main business involves breeding meat chicken, chick, eggs, meat pig and boar; producing and selling feedstuff; real estate development; tap water supply; traffic and transportation, etc..

23. Shanghai Dajiang (Group) Stock Co., Ltd. (600695)

Main business involves feedstuff production, good seedling, stock breeding, slaughtering and processing, selling, bio-pharmacy, feedstuff machine manufacturing, catering service, etc..

24. Gansu Dunhuang Seeds Co., Ltd. (600354)

Main business involves crops seed

cultivation, including corn, cotton, melon, grass, vegetables and flowers seeds breeding, production, processing, measurement, packing and selling; cotton purchasing, processing, packing and selling. Seed cultivation is mainly in the form of breeding as agent and booking.

25. CNFC Overseas Fishery Co., Ltd. (000798)

Main business involves overseas aquatic products fishing, processing, storage and transport, selling and import & export, etc..

26. Shandong Oriental Ocean Sci-Tech Co., Ltd. (002086)

Main business involves ocean aquatic products processing and seawater breeding.

27. Yunnan Jinggu Forestry Co., Ltd. (600265)

Main business involves woods chemical products manufacturing, artificial board manufacturing, forest resources cultivation, woods collection and transport, processing, forestry technology development and research, and stockbreeding industry.

28. Hunan New Wellful Co., Ltd. (600975)

Main business involves live pig breeding and trade.

29. Xinjiang GuanNong Fruit & Antler Co., Ltd. (600251)

Main business involves fruit planting, warehousing, processing and selling; horse and deer breeding; deer products processing and selling; carton, meshwork and other fruit packing content production and selling.

30. Xinjiang Tiakang Animal Science Bio-Technology Co., Ltd. (002100)

Main business involves feedstuff and animal bio-products production and selling; good seedling breeding and embryo transplantation technology service.

31. Shenzhen Agricultural Products Co., Ltd. (000061)

Main business involves agricultural products wholesale.

32. Shanghai Urban Agro-Business Co., Ltd. (600837)

Main business involves green food, general merchandise, tobacco, wine, grain & oil special local products, tea leaf, hardware, home appliance, visual & audio apparatus, metal, building materials, mechanical and electrical equipment and chemical materials, etc..

33. Xinjiang Sayram Modern Agriculture Co., Ltd. (600540)

Main business involves cotton growing, processing and selling; cotton seed development, breeding, processing and selling; agricultural hi-tech products research and development.

34. Xinjiang Koerle Pear Co., Ltd. (600506)

Main business involves Xinjiang “famous, good-quality, special and rare” pear planting, processing and selling, seed and seedling breeding and production.

35. Zhongken Agricultural Resource Development Co., Ltd. (600313)

Main business involves cultivation, production and operation of crop seed such as wheat, rice, hybridized rice, hybridized corn, cotton, rape, soybean, vegetable and flower, etc.; domestic and foreign trade of agricultural production materials and by-products such as fertilizer, pesticide, farming film and rubber; breeding of special agricultural products such as ostrich, tropical fish and precious flower.

36. Yangling Qinfeng Agricultural Science & Technology Co., Ltd. (600248)

Main business involves cultivation, production, processing and selling of various crop seeds; production, processing and selling of agricultural production materials; research and development and agricultural new technology; production, processing and selling of agricultural products; import & export trade, etc..

37. Hunan Ava Holdings Co., Ltd. (000918)

Main business involves cultivation, breeding, production, propagation and selling of various crop seeds, seedling and

well-bred livestock ; development, production and selling of bio-chemical control agent, high quality livestock products, animal drug, seed production facilities and other machines; propagation and consultation of new agricultural technology; processing, production, processing and selling of milk products, non-alcohol beverage and plastics products.

38. Inner Mongolia Prairie XingFa Co., Ltd. (000780)

Main business involves meat sheep, meat chicken and series products production, processing and selling.

39. Shandong Homey Aquatic Development Co., Ltd. (600467)

Main business involves production and selling of paralichthys olivaceus, sea-ear, sea cucumber and other aquatic products; processing and selling flour series, meat, vegetables and other frozen food.

40. Fujian Yongan Forestry (Group) Joint-Stock Co., Ltd. (000663)

Main business involves timber and bamboo collection, transport and processing, and wood chemical products manufacturing.

41. Hunan Dongting Aquaculture Co., Ltd. Co., Ltd. (600257)

Main business involves aquatic products breeding and selling, traditional Chinese medicine production investment and selling, medicine trade and distilled spirit selling.

42. Hubei Wuchangyu Co., Ltd. (600275)

Main business involves freshwater fish and other aquatic products breeding, livestock breeding, vegetable planting, and above products processing, warehousing and selling; food, feedstuff and fishings production and selling; self-produced aquatic products, vegetables and live pig export (excluding HongKong and Macoo); raw materials and accessories, mechanical equipment, instrument and meters, parts

and related technology import; scientific technology service and relevant industry investment.

43. Xinjiang Talimu Agriculture Development Co., Ltd. (600359)

Main business involves agricultural planting, livestock and fish breeding, agricultural products and stock products production, processing and selling; seed and agricultural plastics products production and agricultural machine manufacturing.

44. Gansu Ronghua Industry Group Co., Ltd. (600311)

Main business involves production and selling of corn starch and its by-products, farming film, corn refined oil and dextrine.

45. Huatong Tianxiang Group Co., Ltd. (600225)

Main business involves production and selling of grease, livestock and feedstuff, bio-pharmacy.

46. Fujian Sannong Group Co., Ltd. (000732)

Main business involves production and selling of pesticide, fine chemical products and medicine, and relevant import & export, etc..

47. Guangdong Hualong Groups Limited Company (600242)

Main business involves production and operation of ocean fishing, ocean development and breeding, agriculture development and planting, fishermen repairing, information industry technology development and consultation, real estate development.

48. Hubei Jianghu Ecology Co., Ltd. (600709)

Main business involves agricultural by-products and aquatic products breeding, processing and selling, pharmacy, sanitary and health-care products manufacturing, tourism, catering and accommodation, and house development, etc..

Media & Entertainment

1. Shaanxi Broadcast & TV Network Intermediary Co., Ltd. (600831)

Main business involves cable TV network operation, advertisement, film and TV program production.

2. Shanghai Xinhua Media Co., Ltd. (600825)

Main business involves cultural media industry.

3. Shanghai Wingsung Data Technology Co., Ltd. (600613)

Main business involves city geographical data collection and processing, city information system software development and selling, providing related consultation service; pharmacy.

4. China Television Media, Ltd.(600088)

Main business involves film and TV screen shooting base development and operation, film and TV screen shooting (approved by administration bureau for industry and commerce), TV program production and selling; film and TV equipment leasing, HD technology, broadband data information technology and network system integration technology development and information service.

5. Shanghai Oriental Pearl (Group) Co., Ltd. (600832)

Main business involves media advertisement, travel and entertainment, information transmission and industry investment, etc..

6. Chengdu B-Ray Media Co., Ltd. (600880)

Main business involves information transmission service, newspaper and periodicals delivery, high scientific technology products development, domestic trade (excluding limited and prohibited projects by State), high and low voltage switch production and selling;

environmental protection products making.

7. Huawei Media Investment Corporation (000793)

Main business involves media and cultural industry investment, development, management and consultation; information integration, broadcast& TV program production and operation; ad design, production and operation; multimedia technology development and investment; E-commerce; gas development, operation, management and gas equipment selling; hi-tech risk investment; trade and trade agent (approved by Administration Bureau for Commerce & Industry)

8. China Sports Group Industry Co., Ltd. (600158)

Main business involves sports game organization; sports club investment and operation; physical training project development and operation; sports gymnasium and facilities construction, development and operation; sports-theme society construction; sports building materials and appliance production, processing and selling; sports ad and media operation, etc..

9. Beijing CCID Media Investments Co., Ltd. (000504)

Main business involves information, media, cultural propagation investment management; investment management, technology development and transfer, consultation service of high and new technology industry; information source service; network technology service; computer network engineering; computer system integration; computer hardware and software, peripheral equipment and communication products selling.

10. Hunan TV & Broadcast Intermediary Co., Ltd. (000917)

Main business involves film & TV program production, issuing and selling, domestic and foreign advertisement design, production and issuing; advertisement and

ad designing agent and ad products selling; E-commerce, network and information propagation service and audio-visual product publishing.

Main business involves domestic advertisement design, production and agent; publishing printing, printings packing and decoration; books and periodicals retailing and tourism, also building materials and equipment operation, etc..

Chemicals

1. JiangXi ChangJiu Biochemical Industry Co., Ltd. (600228)

Main business involves production and selling of chemicals, fertilizer, environmental-protection and biochemical products.

2. Anhui BBKA Biochemical Co., Ltd. (000930)

Main business involves scientific research and development of bioengineering; production and selling of organic acid and sodium, starch sugar, monosodium glutamate and amino acid; production, selling and storage of edible alcohol and fuel ethanol, production and selling of chemical products, raw materials, feedstuff, protein powder, high protein feedstuff, yeast products, yeast drawings, enzyme agents, compound fertilizer and organic fertilizer; corn purchasing, electric power generation; gas supply and its by-products selling.

3. Guangxi Hechi Chemical Co., Ltd. (000593)

Main business involves production and selling of urea, compound fertilizer, anti-counterfeiting products, electric products, prawn breeding, high & new technology products.

4. Liuzhou Liangmianzhen Co., Ltd. (600249)

Main business involves production and operation of oral healthcare products, women healthcare products and washing products.

5. Jiangsu Chengxing Phosph-Chemicals Co., Ltd. (600078)

Main business involves production and selling of fine phosph-chemicals products; import & export of self-made chemical materials and chemical products.

6. Shanxi Sanwei Group Co., Ltd. (000755)

Main business involves production, selling and export trade of chemicals, chemical fiber, building materials and coke.

7. Jiaozuo xin'an Science & Technology Co., Ltd. (000719)

Main business involves production of alkali, high-quality heavy alkali, light calcium carbonate, calcium chloride and chemical agents; chemical pharmacy, coal gas supply and installation.

8. Shandong Hualu-Hengsheng Chemical Co., Ltd. (600426)

Main business involves production and selling of urea, methanol, formaldehyde, trimethylamine and DMF.

9. Shandong Haihua Company Limited (000822)

Main business involves production and selling of pure alkali, melamine, urea, industrial bromine, calcium chloride, silica white, sodium silicate and potassium sulfate.

10. Yantai Wanhua Polyurethane Co., Ltd. (600309)

Main business involves development, production and selling of polyurethane and its assistant, MDI and its derivatives.

11. Sichuan Hongda Co., Ltd. (600331)

Main business involves production and selling of zinc and ingot, zinc chloride, common calcium superphosphate, industrial vitriol, zinc sands, compound fertilizer, calcium hydrogen phosphate, MAP, ammonium bicarbonate and phosphorous sodium.

12. Sichuan Chemical Company Limited (000155)

Main business involves production and selling of ammonia, urea, AN, melamine, vitriol, dense nitric acid, potassium sulfate, hydrogen peroxide, liquid carbon dioxide, catalyzer and other chemicals.

13. Guizhou Jiulian Industrial Explosive Material Development Co., Ltd.(002037)

Main business involves development, production and selling of industrial explosive materials; explosion engineering construction and technology service; chemical products retailing and wholesale.

14. Zhejiang NHU Co., Ltd. (002001)

Main business involves production and selling of organic chemical products and feedstuff additives.

15. Inner Mongolian Yuan Xing Natural Alkali Company Limited(000683)

Main business involves production and selling of natural alkali and inorganic salt products.

16. Jiangsu SOPO Chemical Co., Ltd. (600746)

Main business involves production and selling of chemical materials, electric power and vapor production.

17. Jiangxi Black Cat Carbon Black Co., Ltd. (002068)

Main business involves production and selling of carbon black and its tail.

18. Zhejiang Ju Hua Co., Ltd. (600160)

Main business involves production and selling of fluorin chemical materials and derivatives, basic chemical materials and derivatives, fertilizer and pesticide.

19. Qingdao Kingking Applied Chemistry Co., Ltd. (002094)

Main business involves design, production and selling of new materials techniques candle products and other technique products.

20. AnHui Liuguo Chemical Company Limited (600470)

Main business involves production and selling of chemical fertilizer (including compound fertilizer), phosphorus rock production, processing and selling (limited

by license); self-made products export; mechanical equipment, parts, raw materials and accessories, technologies import & export.

21. Tangshan Sanyou Chemical Industries Co., Ltd. (600409)

Main business involves production and selling of pure alkali.

22. Zhejiang Transfar Co., Ltd. (002010)

Main business involves production, processing and selling of textile auxiliaries.

23. Anhui Koyo (Group) Co., Ltd. (000979)

Main business involves research and development, production and operation of high & new technology and products in the bioengineering, fine chemicals, new-type building materials, electric & mechanical integration and pharmacy industries, technology transfer, self-made sci-tech products export, technology, materials and parts import.

24. Nanning Chemical Industry Co., Ltd. (600301)

Main business involves research and development, production and selling of chlor-alkali chemical industry products, pesticide, disinfectant and other organic & inorganic products.

25. Yunnan Yuntianhua Co., Ltd. (600096)

Main business involves production and selling of chemical fertilizer, chemical materials and products.

26. Xinjiang Zhongtai Chemical Co., Ltd. (002092)

Main business involves production and selling of chemical products such as PVC resin and ion-film alkali.

27. Zhejiang Hangzhou Xinfu Pharmaceutical Co., Ltd. (002019)

Main business involves research and development, production and selling of fine chemical products, and after-sale service.

28. Shanghai Whitecat Shareholding Co., Ltd.(600633)

Main business involves toothpaste, brush, detergent, daily chemicals, washing utensils and chemical materials.

29. Sichuan Tianyi Science & Technology Co., Ltd.(600378)

Main business involves C1-chemistry technology and catalyst, pressure swing adsorption (PSA) gas separating technology and device, synthetic linalool, Vitamin E and fine chemical products, industrial gas research, development, production, selling and technology service, relevant engineering design and contract.

30. Chongqing Titanium Industry Co., Ltd. of Pangang Group (000515)

Main business involves production and selling of rutile, rutile titanium dioxide and its by-products, industrial vitriol and dimethyl sulfate.

31. Sichuan Lutianhua Co., Ltd. (000912)

Main business involves production and selling of chemical fertilizer and chemical materials.

32. Inner Mongolian LanTai Industrial Co., Ltd. (600328)

Main business involves production and selling of iodized salt, chemical materials salt, high add-valued and high sci-tech content metal sodium and its derivatives, natural carotene products.

33. Shenyang Chemical Industry Co., Ltd. (000698)

Main business involves production and selling of chemical materials.

34. Anhui Leiming Kehua Co., Ltd. (600985)

Main business involves production and selling of industrial explosive equipment and kaolinite processed products, and related service.

35. Nantong Jiangshan Agrochemical & Chemicals Co., Ltd.(600389)

Main business involves production, processing and selling of chemical pesticide, organic chemicals, inorganic chemicals and polymer, etc..

36. Zhejiang Jiangshan Chemical Co., Ltd. (002061)

Main business involves development, production and selling of chemicals.

37. Shanghai Synica Co., Ltd. (600490)

Main business involves production and

selling of medical intermediaries, pesticide intermediaries, new organic materials and other fine chemicals.

38. Guangzhou Kingfa Sci & Tech Co., Ltd. (600143)

Main business involves development, production and selling of modified plastics, also import & export of plastics materials.

39. Baotou Tomorrow Technology Co., Ltd. (600091)

Main business involves development and production of alkali, PVC resin, vitriol, hydrochloric acid, phenol, hydrofluoric acid, hydrogen fluoride anhydrous, sodium fluoride, liquid chlorine, calcium carbide, ethyne, PE and high sci-tech biological products; production and selling of electric products, production and development of computer, computer software, hardware and peripheral equipment; selling, warehousing and leasing of computer equipment; information industry, network engineering and long-distance education service; environmental-protection equipment production and selling.

40. Anhui Huaxing Chemical Industry Co., Ltd. (002018)

Main business involves development, production and selling of bisultap, molosultap, fenoxaprop-p-ethyl, benazolin-ethyl, bensulfuron methyl and other high-efficient & low-residue pesticides.

41. Nafine Chemical Industry Group Co., Ltd. (000737)

Main business involves production and selling of industrial abio-sodium products, daily chemical and other fine chemicals, chemical fertilizer.

42. Shanghai Jahwa United Co., Ltd. (600315)

Main business involves developing, producing and selling "Lion", "Mum" and "Like" home protection products independently and cooperated with Japanese Lion Company; cosmetics production and management, technology service.

43. Cangzhou Chemical Industrial Co., Ltd. (600722)

Main business involves production and operation of chemical materials (excluding chemical dangerous articles), plastics products and building materials, etc..

44. Yunnan Malong Chemicals & Construction Co., Ltd. (600792)

Main business involves production and selling of white phosphorus, phosphoric acid and other phosphorus chemicals, cement and building materials, also sodium tripoly phosphate.

45. Yunnan Yunwei Company Limited (600725)

Main business involves production, processing and selling of polyvinyl alcohol, cement and relevant materials, also semi-finished products.

46. Shanghai Chlor-Alkali Chemical Co., Ltd. (600618)

Main business involves polyvinyl chloride, sodium hydroxide, chloride series chemical materials and processed products.

47. Dymatic Chemicals Inc. (002054)

Main business involves research and development, production and selling of textile auxiliaries.

48. Sichuan Jinlu Group Co., Ltd. (000510)

Main business involves production and selling of PVC resin, sodium hydroxide series, chemical materials and processed products, distilled spirit production and selling, real estate industry.

49. Guangdong Highsun Yongye (Group) Co., Ltd. (000861)

Main business involves manufacturing and selling of carbon black products, kaolinite series and oil gas, electric power generation by trail gas heat.

50. Ningxia Yinglite Chemicals Co., Ltd. (000635)

Main business involves production and selling of calcium carbide, calcium cyanamide, dicyandiamide, carbamidine, thiourea, PVC, sodium hydroxide, liquid chlorine and muriatic acid.

51. Shanghai 3F New Materials Company Limited (600636)

Main business involves production and selling of organic fluorine materials and products.

52. Liuzhou Chemical Industry Co., Ltd. (600423)

Main business involves production and selling of chemical and fertilizer products.

53. Softto Co., Ltd. (000662)

Main business involves investment in fine chemical industry, cosmetics manufacturing, chemical medicine manufacturing, chemical preparation manufacturing, traditional Chinese medicinal materials and medicine processing industry.

54. Jiangsu Yangnong Chemical Co., Ltd. (600486)

Main business involves production and selling of CAS pesticide.

55. Hunan Liuyang Fireworks Co., Ltd. (600599)

Main business involves fireworks, fireworks materials, papers, printing and packing materials selling, leasing, set off service, building materials selling, etc..

56. Hebei Cangzhou Dahua Co., Ltd. (600230)

Main business involves production and selling of fertilizer and other chemical products.

57. Northwest Yongxin Chemical Industry Co., Ltd. (000791)

Main business involves research, development, production and selling of oil paint, dope and chemical materials.

58. Beijing Huaer Company Limited (000728)

Main business involves production and selling of chemical & industrial materials.

59. Hubei Biocause Pharmaceutical Co., Ltd. (000627)

Main business involves production and selling of medicine products such as antibiotic, hormone, composer, Ibuprofen series and chemical products such as polypropylene and methanol.

60. Lonkey Industrial Co., Ltd. (000523)

Main business involves development, production and selling of Lonkey, Gaofuli, Tianli and Wanli washing articles, sulphuric acid, extract glycerin, AES and other chemical materials.	
61. Hunan Nanling Industry Explosive Material Co., Ltd. (002096)	
Main business involves production and selling of industrial explosives and fuse cables.	
62. Weifang Yaxing Chemical Co., Ltd. (600319)	
Main business involves scientific research and development, production and selling of sodium hydroxide, polyvinyl chloride, chlorinated polyethylene and extensive chemical products.	
63. Guizhou Redstar Developing Company Limited (600367)	
Main business involves production and selling of barium carbonate, strontium carbonate, sulphur and limestone.	
64. Qingdao Soda Ash Industrial Company Limited (600229)	
Main business involves production and selling of sodium hydroxide, fertilizer, pesticide and other chemical products.	
65. Hubei Xingfa Chemicals Group Co., Ltd. (600141)	
Main business involves production and selling of phosphorus chemical products; hydropower generation and supply; electrical & mechanical equipment installation; electrical & mechanical materials selling, and building decoration, etc..	
66. Daqing Huake Company Limited (000985)	
Main business involves production, selling and import & export of fine chemical products, medical products, healthcare products and nutritious food; selling of petroleum chemical products, etc..	
67. WuHan LiNuo Solar Energy Group Co., Ltd. (600885)	
Main business involves solar energy light-heat conversion material—silicon-boron pipe materials and products.	

68. Changsha Lyrun Material Co., Ltd. (600478)

Main business involves research and development, production and selling of continuous strip nickel foam and series products, providing relevant technology consultation.

69. Hebei Weiyuan Bio-chemical Co., Ltd. (600803)

Main business involves production and selling of bio-chemical products and fine chemical products.

70. Zhejiang Longsheng Group Co., Ltd. (600352)

Main business involves production and selling of dyestuff, auxiliaries and intermediaries.

71. Chongqing Sanxia Paints Co., Ltd. (000565)

Main business involves oil paints and coatings.

72. Xinjiang Dushanzi TianLi High & New Tech Co., Ltd. (600339)

Main business involves research and development, production, storage and selling of high quality lubricant additives, bitumen, synthetic new materials, plastics materials and products and fine chemical products; petroleum chemicals technology consultation, import & export of self-made products and technologies of the enterprise and members, finished oil retailing, production and selling of seal pieces.

73. Jin Hua Group Chlor-Alkali Co., Ltd. (000818)

Main business involves manufacturing and processing sodium hydroxide, chlorobenzene, chlorine, hydrogen, synthetic hydrochloric acid, hydrogen chloride, sodium hypochlorite, propylene oxide, polyethers, propylene glycol and other chemical products.

74. Blue Star New Chemical Material Co., Ltd. (600299)

Main business involves research and development, production and selling of silicone monomer and related products; production and selling of bisphenol-A and epoxide resin series, PBT resin and its

deep-processed products, epoxide resin, hydroxybenzotrile and acetone.

75. Bluestar Petrochemical Science & Technology Co., Ltd. (000838)

Main business involves research and development, production and selling of fine chemical products such as fluorin-silicon materials, plastics and modification materials, polymer materials, antioxidant and thinner, and also relevant technology transfer and service.

76. Hubei Shuanghuan Science and Technology Stock Co., Ltd. (000707)

Main business involves production and selling of sodium hydroxide, ammonium chloride and chlorinated polyethylene.

77. Taiyuan Chemical Industry Co., Ltd. (600281)

Main business involves production and selling of basic chemical materials and extensive products, including sodium hydroxide, liquid chlorine, PVC, cyclohexanone, adipate, coke, tar processing, coal gas, methanol, methylamide, bio-chemical products, fine chemical products and high sci-tech chemical products; noble metal processing (excluding gold and silver), liquid chlorine loading and transport; self-made products export and mechanical equipment, raw materials and auxiliaries import (excluding products and technologies prohibited by State), processing and compensation trade.

78. Sichuan Yinshan Chemical Industry (Group) Co., Ltd. (000675)

Main business involves production and selling of MAP, ammonium superphosphate, sulphuric acid, liquid ammonium, ammonium hydrogen carbonate, liquid (solid) ammonium sulfite and cement, etc..

79. Jilin Chemical Industrial Company Limited (000618)

Main business involves petroleum products, petrochemical products, organic chemical products, synthetic rubber, fertilizer and abio-chemical products production.

Coal

1. Pingdingshan Tianan Coal Mining Co., Ltd. (601666)

Main business involves coal production, preparation, processing and selling.

2. Shanxi Lanhua Sci-Tech Venture Co., Ltd. (600123)

Main business involves production and selling of coal, chemical products and building materials.

3. Taiyuan Coal Gasification Company Limited (000968)

Main business involves production and selling of coal, cledcoal, coke, coal gas and coal chemical products.

4. Datong Coal Industry Co., Ltd. (601001)

Main business involves excavating, processing and selling coal products.

5. Sichuan Shengda Industrial Co., Ltd. (000835)

Main business involves coal collection and preparation, coke and series products production and selling.

6. Shanghai Datun Energy Recourses Co., Ltd. (600508)

Main business involves coal, refined coal and large coal selling and export, and railway transportation.

7. Hebei Jiuniu Energy Recourses Co., Ltd. (000937)

Main business involves production and selling of coal.

8. Shanxi Lu'an Environmental Energy Development Co., Ltd. (601699)

Main business involves crude coal excavation and coal preparation.

9. Shanxi Xishan Coal and Electricity Power Co., Ltd. (000983)

Main business involves coal production, coal preparation and processing, electric power generation and selling.

10. Kailuan Clean Coal Co., Ltd. (600997)

Main business involves coal

excavation and crude coal preparation and processing, coal selling.

11. Anhui Hengyuan Coal Industry and Electricity Power Co., Ltd. (600971)

Main business involves coal excavation, coal preparation and processing, coal selling.

12. Shanxi Guoyang New Energy Co., Ltd. (600348)

Main business involves coal excavation, coal preparation and processing, electric power generation and supply, also heat supply.

13. Yanzhou Coal Mining Company Limited (600188)

Main business involves underground coal excavation, coal preparation and processing, coal selling and railway transportation.

14. Henan Shen Huo Coal Industry and Electricity Power Co., Ltd. (000933)

Main business involves coal production and selling, coal preparation and processing, electric power generation and supply.

15. Shanxi Antai Group Co., Ltd. (600408)

Main business involves coal preparation and selling, coke, live iron, cement and products, electric power production and selling.

16. Gansu Jianguan Coal Industry and Electricity Power Co., Ltd. (000552)

Main business involves coal preparation and selling; electric power generation; special railway line operation; building materials, special equipment for mine, electrical & mechanical equipment manufacturing and selling (approved by license)

17. Guizhou Panjiang Refined Coal Co., Ltd. (600395)

Main business involves crude coal excavation, coal preparation and processing, coal selling.

18. Shanxi Coking Co., Ltd. (600740)

Main business involves production and selling of coke and related chemical products.

Construction & Building Materials

1. Jilin Yatai (Group) Co., Ltd. (600881)

Main business involves real estate, cement, medicine, securities and commercial trade, etc..

2. Shanghai Tunnel Engineering Co., Ltd. (600820)

Main business involves civil engineering project contracting, tunnel construction, etc..

3. China Railway Erju Co., Ltd. (600528)

Main business involves railway, road and other civil engineering construction.

4. Shanghai Construction Co., Ltd. (600170)

Main business involves construction project contracting, design, construction and city infrastructure investment, etc..

5. Southern Building Materials Co., Ltd. (000906)

Main business involves production and selling of building materials (excluding silicone glue), chemical products (excluding dangerous articles), machine, electrical equipment, computer software and hardware.

6. Suzhou Gold Mantis Construction Decoration Co., Ltd. (002081)

Main business involves design and construction of hotel, office building, library, hospital, sports gymnasium and other public decoration engineering; production and construction of building curtain wall; production of wooden products, etc..

7. CRBC International Co., Ltd. (600263)

Main business involves domestic and foreign road, bridge, airport, port, tunnel, drainage and supplying and other civil engineering construction contracting; building machine development, manufacturing and selling; road tolling; high sci-tech products development; traffic

engineering management consultation; real estate consultation; self-owned house leasing; computer system, intelligence traffic and building design and installation; industry investment, risk investment and high sci-tech project investment.

8. Long Jian Road & Bridge Co., Ltd. (600853)

Main business involves road and bridge construction.

9. Gezhouba Co., Ltd. (600068)

Main business involves engineering contracting and construction, cement production and selling, industrial explosion, hydropower generation and expressway operation.

10. Beijing New Building Material Public Limited Company (000786)

Main business involves technology development, manufacturing, selling and technology service of new building materials, new wall materials, new-type house, chemical building materials, decoration materials and fittings. Main products include paper plasterboard, light steel keel products, rock-cotton products, mineral cotton products, chemical plastics materials, plastics pipes, high-grade paint and so on.

11. Hongrun Construction Group Co., Ltd. (002062)

Main business involves city planning public engineering construction and house engineering construction, etc..

12. Jiangsu Dagang Co., Ltd. (002077)

Main business involves industrial park comprehensive development and construction and infrastructure construction in new area of Zhenjiang, city planning building, industrial workshop construction and leasing, logistics and copper tier production, etc..

13. China CAMC Engineering Co., Ltd. (002051)

Main business involves international engineering contract, that is to carry on export of design, equipment and materials

that project needs by sub-contract, including design, goods supplying, construction, installation, debugging, trial, check and accept and handover. After the project completion, it also provides parts and fittings, technology and management service for charge all the year round.

14. Hunan Ginde Development Co., Ltd. (000639)

Main business involves hotels, restaurant and pipes.

15. Shandong Luyang Share Co., Ltd. (002088)

Main business involves manufacturing and selling of aluminum silicate refractory fiber materials, perlite heat preservation materials, glass steel products, high-temperature adhesives and cast materials.

16. China Petroleum Jilin Chemical Engineering & Construction Co., Ltd. (600546)

Main business involves chemical petroleum, city planning public, smelting, electric power engineering construction contract, also overseas chemical and building engineering labor service and contract.

17. Shenzhen Tonge (Group) Co., Ltd. (000090)

Main business involves city planning engineering, building construction, real estate development and investment development.

18. Beijing Ruitai High-temperature Materials & Technology Co., Ltd. (002066)

Main business involves production and selling of refractory materials such as fusion-cast corundum and zirconia series and fused cast alumina series.

19. Long Yuan Construction Group Co., Ltd. (600491)

Main business involves civil, industrial, city planning and public infrastructure engineering construction and installation.

20. Offshore Oil Engineering Co., Ltd. (600583)

Main business involves offshore and land oil-gas field development engineering and fitted facilities design, construction,

installation and maintenance.

21. Tengda Construction Group Co., Ltd. (600512)

Main business involves city planning engineering, road engineering, bridge engineering, house building engineering and decoration engineering.

22. Fangda Group Co., Ltd. (200055)

Main business involves design, production, selling and installation of curtain wall, door and windows; development, production and selling of other new-type building materials, optoelectronic materials, optoelectronic instrument, optoelectronic equipment, electrical display equipment, video communication products and installation engineering.

23. Guangdong No.2 Hydropower Engineering Company, Ltd. (002060)

Main business involves water resources & hydroelectric engineering construction, other business include city planning public engineering, road engineering, electrical & mechanical installation engineering, base and groundwork engineering and house building engineering construction.

24. Xinjiang Huitong (Group) Co., Ltd. (000415)

Main business involves real estate, engineering contract and construction, infrastructure investment and bio-pharmaceuticals.

25. Shenzhen Globe Union Industrial Corp. (002047)

Main business involves production and selling of water faucet, bath and washing utensils.

26. Keda Group Co., Ltd. (600986)

Main business involves road engineering and city planning engineering construction.

27. Liaoning Jindi Construction Consortium Co., Ltd. (600758)

Main business involves civil engineering construction, road building, industrial equipment installation,

mechanical construction, real estate development, new-type building materials and products production, etc..

28. Shanghai Fenghua (Group) Co., Ltd. (600615)

Main business involves paint, coatings, pen manufacturing and property leasing.

29. Shandong Jiangquan Industry Co., Ltd. (600212)

Main business involves development, production and selling of building porcelain, pottery & porcelain for daily use and wooden products; import of timber and other import & export trade.

30. China Fiberglass Co., Ltd. (600176)

Main business involves development, production and selling of new materials (such fiberglass); commercial estate development and operation; house products chain operation and materials logistics distribution.

31. Sichuan Road & Bridge Co., Ltd. (600039)

Main business involves road, bridge and tunnel engineering construction.

32. China Wuyi Co., Ltd. (000797)

Main business involves investment and development, engineering contract and foreign economics and trade.

33. China Nonferrous Metal Industry's Foreign Engineering and Construction Co., Ltd. (000758)

Main business involves international engineering contract, non-ferrous metal resources such as aluminum and zinc development, international technology contract, international labor cooperation and import & export.

34. Sinoma International Engineering Co., Ltd. (600970)

Main business involves large and medium scale drying cement production line construction, including development and design of cement production line, setup purchasing and manufacturing, equipment installation, also engineering supervision, concrete products development, production

and selling.	
35. Xinjiang Qingsong Cement Co., Ltd. (600425)	
Main business involves production and selling of cement and products, chemical products.	
36. Zhejiang Hangxiao Steel Structure Co., Ltd. (600477)	
Main business involves steel structure engineering design, production and installation.	
37. Norinco International Cooperation Ltd. (000065)	
Main business involves engineering service.	

Cement

1. Sichuan Shuangma Cement Co., Ltd. (000935)	
Main business involves cement production and selling.	
2. Huaxin Cement Co., Ltd. (600801)	
Main business involves cement technology service, cement equipment research, manufacturing, installation and repairing. It also involves cement export & import.	
3. Inner Mongolia Xishui Strong Year Co., Ltd. (600291)	
Main business involves cement and clinker production and selling; computer software and hardware, network products development and selling, network integration and technology service.	
4. Anhui Chaodong Cement Co., Ltd. (600318)	
Main business involves Portland cement and clinker, light steel structure, new-type building materials production and selling.	
5. Anhui Conch Cement Company Limited (600585)	
Main business involves production and selling of high grade cement and commercial clinker.	

6. Jiangxi Wannianqing Cement Co., Ltd. (000789)

Main business involves production and selling of Portland cement clinker and Portland cement.

7. Fujian Cement Inc. (600802)

Main business involves production and selling of cement, other building materials manufacturing and technology service, industrial production materials, diesel vehicle repairing, hotel, tourism and real estate investment, property management, etc..

8. Tangshan Jidong Cement Co., Ltd. (000401)

Main business involves production and selling of Portland cement.

9. Ningxia Saima Industry Co., Ltd.

Main business involves production and selling of cement, plastics pipelines and special plaster.

10. Shaanxi QinLing Cement (Group) Co., Ltd. (600217)

Main business involves production and selling of cement.

11. Gansu Qilianshan Cement Group Co., Ltd. (600720)

Main business involves development, production and selling of cement and series products, also providing technology consultation service.

12. Sichuan Golden Summit (Group) Joint-Stock Co., Ltd. (600678)

Main business involves production and selling of cement.

13. Hebei Taihang Cement Co., Ltd. (600553)

Main business involves production and selling of common Portland cement, Portland cement and clinker.

14. Taiyuan Lionhead Cement Co., Ltd. (600539)

Main business involves general cement, special cement and C10-C80grade pre-mixed commercial concrete.

15. Zhejiang Jianfeng Group Co., Ltd. (600668)

Main business involves production and selling of medicine, cement and relevant

products.

16. Heilongjiang Province Mudanjiang New Materials Technology Co., Ltd. (600173)

Main business involves production and selling of cement, power generation by burning of trial heat of coal slack in the stove.

17. Tian Jin Cement Co., Ltd. (000965)

Main business involves production and selling of cement and new-type building materials, building construction and real estate development.

18. Xinjiang Tianshan Cement Co., Ltd. (000877)

Main business involves production and selling of cement and relevant products.

19. Datong Cement Co., Ltd. (000673)

Main business involves production and selling of Portland cement and cement clinker.

Household Appliance

1. Konka Group Co., Ltd. (000016)

Main business involves color TV set, digital mobile phone, LCD and other network products and fittings (such as HF, mould, model and package, etc.)

2. Shenzhen Huafa Electronics Co., Ltd. (200020)

Main business involves production and distribution of color TV set, printed circuit board, models and other electric products.

3. Wuxi Little Swan Company Limited (000418)

Main business involves production, distribution and technology service of home appliance and parts.

4. Hefei Meiling Co., Ltd. (200521)

Main business involves development, production and distribution of refrigerator.

5. GuangDong Midea Electric Appliances Co., Ltd. (000527)

Main business involves production,

distribution and after-sales service of household appliance end-products such as air conditioner, fan, electric rice cooker, microwave oven, water dispenser, electric radiator, dishwashers, utensils, refrigerator, lampblack device, humidifier, water heater, cleaner, disinfecting cabinet, electric chafing dish and soybean milk maker, and intermediate products such as compressor and micro electric motor, etc..

6. Chang Ling (Group) Co., Ltd. (000561)

Main business involves household appliance, mechanical & electrical products and software technology development, relevant import & export trade.

7. Gree Electric Appliances Inc. of Zhuhai (000651)

Main business involves production and distribution of air conditioner, operation of air-conditioner export, and related parts import & export.

8. Sichuan Hushan Electronic Holding Co., Ltd. (000801)

Main business involves manufacturing, processing, distribution and installation of electronic audio equipment, satellite TV receiving system and full decoration pieces, import & export.

9. Guangdong Kelon Electrical Holdings Co., Ltd. (000921)

Main business involves manufacturing and distribution of refrigerator, air-conditioner and other household appliance.

10. Suning Appliance Co., Ltd. (002024)

Main business involves chain distribution and service of comprehensive household appliance.

11. Zhongshan Vantage Gas Appliance Stock Co., Ltd. (002035)

Main business involves development, production and distribution of gas burner, water heater (gas water heater, electric water heater and solar energy water heater) and lampblack device.

12. Amoi Electronics Co., Ltd. (600057)

Main business involves development and production of digital electronic products, especially laser disc player, communication and auto office products.

13. HISENSE Electric Co., Ltd. (600060)

Main business involves production, distribution and after-sales service of TV set, broadcast & TV equipment, communication equipment, information technology products, household and commercial appliance and electric products.

14. Taiyuan Tianlong Group Co., Ltd. (600234)

Main business involves production and distribution of electric products and household appliance such as VCD player, DVD player, functional displayer and sound box (approved by license); development, production and distribution of wire phone, cordless phone and mobile phone, and also other consumer digital electric products.

15. Qingdao Aucma Company Limited (600336)

Main business involves production and distribution of cool cabinet, water purifying equipment, converter for car use, auto-vending machine, lithium cells, new-type multi-layer pipe materials, freezing and refrigerating series, cooler, drinking machine, audio & video equipment, semi-conductor materials, individual digital assistant, optoelectronic materials and equipment, integrated circuit and application, also fitted materials, technology development, consultation and service.

16. Qingdao Haier Co., Ltd. (600690)

Main business involves production and distribution of refrigerator, air-conditioner and ice cabinet.

17. Ningbo Fuda Electric Appliance Co., Ltd. (600724)

Main business involves vacuum cleaner, lampblack device and daily household electric appliance design and manufacturing, high-speed electric machine

research and development, cement and building materials production, real estate development, tap water production, garbage electric power generation, domestic and foreign trade, etc..

18. Henan Bingxiong Fresh-Preservation Equipments Co., Ltd. (600753)

Main business involves horizontal cool cabinet design, development, production, distribution and service, cargo transportation.

19. Nanjing Panda Electronics Company Limited (600775)

Main business involves mobile communication, satellite communication, electrical & mechanical instrument and information products.

20. Shanghai Mechanical & Electrical Industry Co., Ltd. (600835)

Main business involves elevator, refrigeration & air-conditioning equipment, printing & packing machine and artificial board machine manufacturing; artificial board enterprise investment, etc..

21. Sichuan Changhong Electric Co., Ltd. (600839)

Main business involves production and distribution of video products, video & hearing products, air-conditioner, cells and batteries.

22. Jiangsu Chunlan Refrigerating Equipment Stock Co., Ltd. (600854)

Main business involves production and distribution of air-condition, washing machine, refrigerator and refrigerator compressor, as well as trade.

23. Xiamen Overseas Chinese Electronic Co., Ltd. (600870)

Main business involves electrical products such as color TV, color display, computer, and mobile communication, etc..

24. Hefei Rongshida Sanyo Electric Co., Ltd. (600983)

Main business involves production, distribution and service of automatic washing machine, electric program controller, clutch, microwave oven and other relevant products.

Electric information

1. China United Telecommunications Corporation Limited (600050)

Main business involves telecommunications industry investment.

2. Tsinghua Tongfang Co., Ltd. (600100)

Main business involves computer products and commercial goods selling, network, software, system integration and information service, energy and environment, civil nuclear technology, daily chemicals, fine chemicals and pharmaceuticals.

3. Guangdong Goworld Co., Ltd. (000823)

Main business involves development, production and distribution of printed circuit board, LCD, ultrasonic electric instrument and apparatus, superthin and special clad copper plate.

4. China Zhenhua (Group) Science & Technology Co., Ltd. (000733)

Main business involves electric information products development and production.

5. Nanjing Xinwang Tech Co., Ltd. (600403)

Main business involves developing software products, software intermediaries and digital equipment for telecommunications, social insurance, tobacco and Broadcast & TV electricity industries and enterprises, and providing information solution scheme.

6. Weifang Beida Jadebird Huaguang Technology Co., Ltd. (600076)

Main business involves computer software and hardware, Broadcast & TV network, communication equipment, opto-mechanical electrical equipment and electric products development, production and selling; system integration, electro-engineering construction, building intelligentized engineering design and

construction.

7. Handsome Electronics Co., Ltd. (600570)

Main business involves development and selling of application software for securities, bank and fund industries.

8. UFIDA Software Co., Ltd. (600588)

Main business involves computer software, hardware and outside equipment technology development, consultation. Transfer and service; enterprise management consultation; database service; computer software, hardware and outside equipment selling.

9. Beijing Tianqiao Beida Jade Bird Sci-Tech Co., Ltd. (600657)

Main business involves internet information service (excluding news, publishing, education, medical healthcare products, medical device and BBS)

10. Founder Technology Group Corp. (600601)

Main business involves research, production, selling and service of "Founder" computer, notebook, sever, printer and digital camera; production and selling of printing circuit board, "Shiye" blueprint machine, blueprint paper, paper shredder and other easily exhausted products.

11. Ningbo Bird Co., Ltd. (600130)

Main business involves development, production and selling of electric communication products such as mobile phone and Beep-Pager, etc., and silicon solar energy cells, import & export.

12. Tsinghua Unisplendour Corporation Limited (000938)

Main business involves information electronics and environmental protection.

13. Leaguer Stock Co., Ltd. (000532)

Main business involves micro-electronics and power electronics; environmental protection products development, production and selling; electric power production and development; industrial investment and management.

14. Fiberhome Telecommunication Technologies Co., Ltd. (600498)

Main business involves scientific development, production and selling of optic fiber communication equipment and system, optic network equipment, optic fiber, optic cable and electric cables.

15. Guangdong Ygsoft Inc. (002063)

Main business involves development and selling of computer software, computer system software & hardware integration.

16. JiangSu Zhongtian Technologies Co., Ltd. (600522)

Main business involves production and selling of optic fiber, optic fiber, optic cable materials and attachment, power apparatus and data cables, optic cable and electric cable supervision & management system, and network engineering design, installation and construction.

17. Jiangsu Changjiang Electronics Technology Co., Ltd. (600584)

Main business involves integrated circuit sealing and testing, separated apparatus production and selling.

18. Shenzhen Changcheng Kaifa Technology Co. Ltd. (000021)

Main business involves development, production and selling of computer software, hardware, outside equipment, communication equipment, electric equipment, instrument, parts, components and raw materials.

19. CEC CoreCast Corporation Ltd. (600764)

Main business involves intelligentized optic network platform and solution for cable TV network transformation, integrated circuit manufacturing, computer system integration and distribution.

20. Xi'an Seastar Modern-Tech Co. Ltd. (600185)

Main business involves development, production, selling and repairing of computer hardware products; network engineering and system integration software development, electric communication equipment; development,

production, selling and technology service of other high & new tech products.

21. Anhui Sun-Create Electronics Co., Ltd. (600990)

Main business involves development, production and selling of civil radar and fitted products, wireless communication equipment, integrated circuit design and selling. The main products fill many blanks and stand at the domestic leading level and international advanced level.

22. Jiangsu Hongtu High Technology Co., Ltd. (600122)

Main business involves development, production and selling of computer, software, system integration, network equipment, laser CD player, communication equipment and optic & electric cables.

23. China Spacesat Technology Co., Ltd. (600118)

Main business involves satellite application operation service, development of satellite and satellite applied products and base, system integration.

24. Langchao Electronic Information Industry Co., Ltd. (000977)

Main business involves development, production and selling of computer, software, electric products and communication equipment, commercial machine and apparatus, electronic control equipment, air-conditioner digital control equipment, electronic calculagraph, electronic control toys and education equipment; technology information service, and computer rent, etc..

25. Xiamen Xinde Co., Ltd. (000701)

Main business involves network information service, information products development and production, commercial retailing and wholesale, trade and real estate development.

26. Chengdu Dr.Peng Technology Co., Ltd. (600804)

Main business involves application software development and selling; education software and network system integration; steel trade; iron and steel

smelting.	
27. Zhejiang NetSun Co., Ltd. (002095)	
Main business involves commercial information and communication service for chemical industry and textile industry, website construction and maintenance, advertisement service.	
28. Insigma Technology Co., Ltd. (600797)	
Main business involves computer and network system, computer system integration and electro-engineering research and development, consultation service, products manufacturing and selling; network education, bio-pharmacy and high & new technology industry investment and development.	
29. Fujian Start Computer Group Co., Ltd. (600734)	
Main business involves manufacturing, wholesale and retailing of computer, outside equipment, instrument and apparatus, electro-telegraph, office equipment, communication equipment, household appliance and video products, and sound box equipment; computer software development and service; computer technology consultation and service, information service and so on.	
30. ChengDu QianFeng Electronics Co., Ltd. (600733)	
Main business involves cable digital TV, digital trunked communication and goods selling.	
31. Xiamen Eagle Group Co., Ltd. (600711)	
Main business involves development, production and selling of intelligentized vending equipment, financial and communication end equipment, software development and technology service.	
32. Shanghai Broadband Technology Co., Ltd. (600608)	
Main business involves communication network equipment, computer information engineering, integrated circuit design and selling, intelligence society network and special steel pipes.	

33. Yunnan Nantian Electronics Information Co., Ltd. (000948)

Main business involves software development, system integration, financial equipment and pharmaceuticals development and production.

34. Soyea Technology Co., Ltd. (000909)

Main business involves development, production and distribution of color TV and DVD; research and development of house intelligentized system and related information household appliance; development of intelligent real estate.

35. Shenzhen Dawncom Business Technology and Service. Co., Ltd. (000863)

Main business involves computer software, hardware and network products selling, system integrator, BSP operation, electronic and communication products development, production and selling.

36. Powerise Information Technology Co., Ltd. (000787)

Main business involves development, production and selling of computer software and system, software production and after-sales service, import & export.

37. Qinghai Digital Net Investment Share Holding Group Co., Ltd. (000578)

Main business involves information products production and distribution, financial securities and cement, etc..

38. China Great Wall Computer Shenzhen Co., Ltd. (000066)

Main business involves development, production, selling and after-sales service of computer hardware, software and net system, also electronic products.

39. China Kejian Co., Ltd. (000035)

Main business involves development, production and selling digital mobile handsets.

40. SVA Information Industry Co., Ltd. (600637)

Main business involves color TV receiver, CD player, computer end products, communication equipment, import & export and electronic apparatus processing.

41. Chinascholars Group Co., Ltd. (000547)

Main business involves computer and its fitting; electronics, communication technology, network technology service; consultation, information service; environmental protection engineering design, construction and contract; environmental protection facilities operation, etc..

42. Eastcompeace Smart Card Co., Ltd. (002017)

Main business involves production and selling of mobile communication smart card, non-contact smart card and fitted application system.

43. Shanghai Fudan Forward Science & Technology Co., Ltd. (600624)

Main business involves computer application software development, software specialist service extension, bio-pharmaceuticals development, manufacturing and distribution, education industry.

44. Aerospace Information Co., Ltd. (600271)

Main business involves development and production of value-added tax special invoice anti-counterfeiting tax control system and fittings of National golden tax project, IC card related to golden card and golden shield project, and computer software & hardware, computer system integration project and service.

45. USTC Chuangxin Co., Ltd. (600551)

Main business involves new chemical materials and electronic products.

46. China Satcom Guomai Communications Co., Ltd. (600640)

Main business involves wireless calling, trucking communication and information service. It is the largest calling enterprise in Shanghai.

47. Beijing Aerospace Chengfeng Science & Technology Co., Ltd. (600855)

Main business involves digital application industry for civil and military use, and digital medicals industry.

48. Shanghai Baosight Software Co., Ltd. (600845)

Main business involves information bringing forward industry.

49. Routon Electronic Co., Ltd. (600355)

Main business involves development, production and selling of public communication end products and centralized management system.

50. Tiancheng Co., Ltd. of Taiyuan University of Technology (600392)

Main business involves intelligentized electronic products, application software and network system.

51. Shenyang Neusoft Co., Ltd. (600718)

Main business involves providing information solution scheme.

52. Datang Telecom Technology Co., Ltd. (600198)

Main business involves communication network system, communication end, computer hardware & software and outside equipment, network management, information safety application software and micro-electronics development, production and selling, communication manufacturing with system integration and network construction.

53. Fujian Newland Computer Co., Ltd. (000997)

Main business involves computer and outside equipment manufacturing, selling and leasing; electronic industry investment; computer technology service and information service; road computer tolling, supervision, system design, consultation, installation and debugging; self-made products and relevant technologies import & export.

54. Shenzhen SDG Information Co., Ltd. (000070)

Main business involves optical fiber, optical cable and optical fiber preform rod, electrical products and communication equipment production; computer network system integration, communication information service; domestic commerce

and materials distribution.

55. Shenzhen Kingdom Sci-Tech Co., Ltd. (600446)

Main business involves financial securities software research, development, production and selling; system integration.

56. Shanghai East-China Computer Co., Ltd. (600850)

Main business involves computer hardware, software, outside equipment, magnetic record medium, network engineering, system integration application and development, information service; import & export approved by Foreign Economic & Trade Department of P.R.C.

57. Wuhan Yangtze Communication Industry Group Co., Ltd. (600345)

Main business involves telecommunication, electronics, computer technology and products development, research and technology service; communication engineering design and construction.

58. JiangSu YongDing Company Limited (600105)

Main business involves communication cable, communication optic cable and other communication equipment brass wires manufacturing and selling.

59. Beijing C&W Technology Co., Ltd. (600658)

Main business involves network communication, optic communication and relevant communication equipment manufacturing.

60. Beijing Zhongchuang Telecom Test Co., Ltd. (600485)

Main business involves telecom network test and maintenance products research, development, production, selling and service.

61. Suzhou Industrial Park New Sea Union Telecom Development Co., Ltd. (002089)

Main business involves telecom network equipment and software, relevant electrical products, cables and wires, electrical instrument and machine, warning system control equipment, warning system video supervision equipment and other

safety protection products development, manufacturing, processing and selling, electro-engineering construction.

62. Beijing Teamsun Technology Co., Ltd. (600410)

Main business involves providing system integration and special service for telecom and financial industry.

63. Tianjin Xinmao Science & Technology Co., Ltd. (000836)

Main business involves computer software, hardware, information system integration, information processing and service, integration of opto-electrical & mechanical system, chemical materials and industrial crystallization equipment, rare animal breeding technology and products research, development, production and selling; apparatus and meters, computer and peripheral equipment, office articles and household appliance, etc..

64. Shenzhen Shenxin Taifeng Group Co., Ltd. (000034)

Main business involves communication service operation, data and sound service, communication equipment research, development, production and selling, products development; domestic commerce and material sales agent, import & export trade; edible animal breeding and meat processing, feedstuff production and selling; fruit tree planting; real estate investment and development.

65. Shandong Langchao Cheeloosoft Co., Ltd. (600756)

Main business involves telecom and somputer hardware & software technology development, production and selling; telecom and computer network engineering technology consultation and technology training; ropeway transport.

66. Shenzhen Coship Electronics Co., Ltd. (002052)

Main business involves digital satellite receiver and other digital TV receiving equipment development and production; network, computer, telecom, broadcast & TV equipment, software development and

production, system integration, LED production and operation.

67. Daheng New Epoch Technology, Inc. (600288)

Main business involves opto-electrical & mechanical integration products development, production and selling; IT software & hardware products development, production and selling; circulation facilities operation.

68. Hunan Copote Science & Technology Co., Ltd. (600476)

Main business involves post, telecom, mobile, finance and securities industries service; network design and architecture design, hardware products research, development and production for post industry and network safety field.

69. Tian Jin Global Magnetic Card Co., Ltd. (600800)

Main business involves cards, high grade packing and printing products, portfolio printing, software and fittings development and design, data card and special reading and writing machine, daily electrical apparatus manufacturing, banking tools development and manufacturing, network integration technology and high & new technology products development and selling, real estate development and commercial house selling, etc..

70. HEDY Holding Co., Ltd. (002027)

Main business involves research, development, production and selling of HEDY PC, digital supervision server, "Dashuiniu" computer fittings, and selling as agent of other computer fittings.

71. Greatwall Information Industry Co., Ltd. (000748)

Main business involves computer end and peripheral equipment, financial tools, electrical products, tax control machine and electrical equipment for commercial use, meters, safety & protection products, telecom and network products, digital video products development, production and selling; computer software development,

system integration and service; electrical products and parts processing and manufacturing; other commercial goods allowed by national policies.

72. Suntek Technology Co., Ltd. (600728)

Main business involves new computer products development and production, also engineering carryon; computer hardware & software technology introduction and consultation; retailing and wholesale trade.

73. Qingdao Mesnac Co., Ltd. (002073)

Main business involves mechanical equipment, mold, computer hardware & software, large-scale integrated circuit, automated system, network and supervision engineering design, development, production, selling, installation, debugging and maintenance; informtionized system integration, selling, installation, debugging and maintenance.

74. WholeWise Sci.& Tech. Co., Ltd. (600503)

Main business involves providing application software products and system integration service about customer management, customer service, business management, network and system management, business intelligence, and value-added business platform for telecom enterprises.

75. ZTE Corporation (000063)

Main business involves digital program-controlled exchange system, mobile communication system, data communication system, multi-media communication system, communication transmission system, satellite and microwave communication system, and computer software & hardware technology development, domestic and overseas communication engineering contracting, domestic and foreign economic and technologic cooperation including international bidding.

76. Hangzhou Sunyard System Engineering Co., Ltd. (600571)

Main business involves electric files image, E-commerce and information safety software products production and selling, also system integration.

77. Beijing Gehua CATV Network Co., Ltd. (600037)

Main business involves broadcast & TV network development, construction, operation and maintenance; broadcast & TV program receiving and transmission; broadcast & TV network information service.

78. Beijing Donghua Hechuang Digital Science & Technology Co., Ltd. (002065)

Main business involves industry application software development, computer information system integration and related service.

79. Fujian Guomai Technologies, Inc. (002093)

Main business involves telecom network technology service and system integration. Telecom network technology service is the core business, including telecom equipment system maintenance, telecom consultation and software.

80. Wiscom System Co., Ltd. (002090)

Main business involves electric power automated products research, development, production, selling and service; also information service for universities and colleges.

81. Gohigh Data Networks Technology Co., Ltd. (000851)

Main business involves broadband telecom network products, telecom equipment, telecom end equipment, apparatus and meters, computer software & hardware and peripheral equipment, system integration technology development, transfer, consultation, service, manufacturing and selling, telecom and information system engineering design and information service.

82. Shenzhen Techo Telecom Co., Ltd. (000555)

Main business involves manufacturing, processing and selling electricity transmission and distribution equipment, high and low voltage appliance, TEC5200 connecting network and apparatus & meters.

83. Eastern Communications Co., Ltd. (600776)

Main business involves mobile communication.

84. Zhejiang HSD Industrial Co., Ltd. (600687)

Main business involves computer system network integration engineering, computer software & hardware production and distribution, information consultation, etc..

85. Chang An Information Industry (Group) Co., Ltd. (600706)

Main business involves medical investment, hospital management investment and consultation; computer software & hardware and peripheral equipment development, production and distribution; telecom electronic products development, production and distribution; hi-tech information consultation and service.

86. CITIC Guoan Information Industry Co., Ltd. (000839)

Main business involves cable TV network and satellite telecom network investment and construction, network system integration, telecom value addition, application software development; also engineering construction and property management.

87. Guoguang Electric Company Limited (002045)

Main business involves loudspeaker, sound box and other electric appliance development, production and selling.

88. Yantai Dongfang Electronics Information Industry Co., Ltd. (000682)

Main business involves development and research of automated products in electric power system.

89. Oceans Inter-Telecom Corporation (600289)

Main business involves telecom network supporting system, network information safety application software development, production and selling, and information safety solution scheme operation, telecom value-added business platform application and service.

90. HIT Shouchuang Technology Co., Ltd. (000857)

Main business involves commerce and tourism & catering service; computer software & hardware development and selling, system integration.

91. Guangdong Golden Horse Tourism Group Stock Co., Ltd. (000602)

Main business involves telecom and information network, computer software & hardware and automated system products development and operation, system design and integration, value-addition service; ISP, ICP, ASP business; IT products research, development, production, selling and technology service.

92. Sichuan Huiyuan Optical Communications Co., Ltd. (000586)

Main business involves optical communication.

93. Shanghai Hongsheng Technology Co., Ltd. (600817)

Main business involves industrial investment, domestic trade, computer and hi-tech products production and selling, software development and distribution, semi-conductor integrated circuit products development, design and manufacturing, related system products and system integration, selling and technology consultation, new-type materials production and selling, etc..

94. China National Software & Service Company Limited

Main business involves software and information products development, software information service and software export.

95. Shenzhen Capstone Industrial Co., Ltd. (000038)

Main business involves electronic products.

96. Shanghai Posts & Telecommunications Equipment Co., Ltd. (600680)

Main business involves telecom transmission and connection system, auto fare collection system, postal information system, multi-media data system, communication equipment precise machine processing, and system integration.

97. But'one Information Corporation, Xi'an (600455)

Main business involves research, development and selling of application software products with independent intelligent property right and industry solution scheme, also related computer system integration.

98. NARI Technology Development Limited Company (600406)

Main business involves research, development and selling of power grid dispatching automation system, transformer station automation, thermal power plant and industrial control automation products, also related system integration.

99. Stellar Megaunion Co., Ltd. (000892)

Main business involves telecom industry investment, telecom equipment manufacturing, telecom engineering and technology consultation; value-added telecom operation; mechanical industry investment and equipment manufacturing; import & export.

100. Chengdu Unionfriend Network Co., Ltd. (000693)

Main business involves developing, designing , producing, installing and operating various network and equipment (excluding limited projects by State);retailing and wholesaling electronic products, communication equipment (excluding wireless transmission equipment); computer, office equipment (excluding color copying machine), computer information network, information video service system development and design; video order program system

operation and related technology consultation.

101. ZhaoHua Science & Technology (Group) Co., Ltd. (000688)

Main business involves computer and network server, computer information system integration, software development and distribution, E-commerce and network application service; digital electronic products research, development, manufacturing and selling; glass-ceramic material, energy-saving lamp and electronic ballast manufacturing and selling; digital broadcast & TV service.

102. Gansu Languang Science & Technology Co., Ltd. (000981)

Main business involves research, development, manufacturing and selling of hi-tech electronic information products.

103. Shanghai CITIC-Jiading Industrial Co., Ltd. (600646)

Main business involves financial securities E-commerce, information service and on-line trade service with network information and technology service as the core, system integration, software development, related engineering design and contract, etc..

Machinery

1. Jiangsu Miracle Logistics System Engineering Co., Ltd. (002009)

Main business involves logistics transportation system and automated warehousing system design, manufacturing, installation and management, also providing system integration control software for above two products.

2. Xi'an Typical Industries Co., Ltd. (600302)

Main business involves research, development, production and distribution of "Typical" industrial sewing machine.

3. Keda Industrial Co., Ltd. (600499)

Main business involves research, development, production and distribution of building ceramics equipment.

4. Fujin Longking Co., Ltd. (600388)

Main business involves environment pollution prevention equipment, high-voltage silicon rectifying equipment, low-voltage fittings, water resources and hydropower, high and low voltage electricity controlling equipment, electrical machine and instrument,

5. Luoyang Bearing Science & Technology Co., Ltd. (002046)

Main business involves bearing, electrical principal axis, special craft equipment for bearing and measurement instrument research, development, production, selling and technology development.

6. Beiren Printing Machinery Holdings Limited (600860)

Main business involves development, design, production and selling printing machine, forging & pressing equipment, packing machine and relevant parts & fittings.

7. Qinchuan Machinery development Co., Ltd. of Shaanxi (000837)

Main business involves precision numerical control machine, plastics machine, precision gears, hydraulic components, hydraulic pressing system, elevator traction machine and other electronic products.

8. Zhejiang Sanhua Co., Ltd. (002050)

Main business involves stop valve, non-return valve, electronic expansion valve, electromagnetism valve, drainage pump, ball valve and North-America stop valve refrigeration air-conditioning fittings for civil us and commercial use.

9. Weigu High Technology Co., Ltd. (000581)

Main business involves manufacturing of gas engine fuel system products, fuel

system measurement apparatus and instrument.

10. Aerospace Hi-tech Holding Group Co., Ltd. (000901)

Main business involves research, development, production and selling of auto electronics, home electronics, micro-electronic machine, solid arrow and aerospace products.

11. Dalian Refrigeration Co., Ltd. (000530)

Main business involves processing and manufacturing of refrigeration equipment and matched accessories, valves, fittings and other products refrigeration engineering needed.

12. Shenzhen Heungkong Holding Co., Ltd. (600162)

Main business involves engineering machine and commercial & trade logistics operation.

13. Huda Technology & Education Development Co., Ltd. (600892)

Main business involves electric wire and cables manufacturing; special equipment manufacturing, numerical-control equipment development and production, and relevant technology service; hotel accommodations and caterings, and entertainment, etc..

14. Jiangnan Heavy Industry Co., Ltd. (600072)

Main business involves large-scale steel structure, pressure container and port machine.

15. Dalian Rubber & Plastics Machine Co., Ltd. (600346)

Main business involves research, development, production and selling of special equipment for rubber machine and plastics machine, parts and fittings.

16. WuXi Huaguang Boiler Co., Ltd. (600475)

Main business involves power station boiler, industrial boiler, boiler accessories, water treatment equipment, pressure container, full set of fuel gas desulfurization and denitrification equipment manufacturing and selling.

17. Hubei Aviation Precision Machinery Technology Co., Ltd. (002013)

Main business involves auto seat backrest adjuster and various precise pressing products; precise mold research, design, development, manufacturing and selling.

18. Sany Heavy Industry Co., Ltd. (600031)

Main business involves development, production and selling of engineering machines and parts.

19. Shanghai Zhenhua Port Machinery Co., Ltd. (600320)

Main business involves production and selling large scale container lifting machine, especially onshore container crane and RTG container crane.

20. Jiangsu Shuangliang Air-conditioning Equipment Co., Ltd. (600481)

Main business involves manufacturing and selling central air-conditioning system main machine and end products, also providing maintenance.

21. Changjiang & Jingong Steel Structure (Group) Co., Ltd. (600496)

Main business involves high-floor light steel structure products and new-type wall materials manufacturing and selling; steel structure design, construction and installation; tractor, reaper and matched agricultural machine and other agricultural machine products manufacturing and selling.

22. Xiamen Engineering Machinery Company Limited (600815)

Main business involves manufacturing and processing of engineering machines and fittings.

23. Linhai Co., Ltd. (600099)

Main business involves manufacturing and selling of garden machine, spraying and irrigation machine, timber collection and transport equipment, internal-combustion engine, motor, fire control equipment, mini-auto and fittings for above products; vehicle cargo transport.

24. Zoje Sewing Machine Co., Ltd. (002021)

Main business involves research, production and selling middle and high grade industrial sewing machine.

25. Hubei Jingshan Light Industry Machinery Stock Co., Ltd. (000821)

Main business involves carton box, and box packing machine and printing machine manufacturing and selling.

26. Shaanxi Aerospace Power Hi-Tech Co., Ltd. (600343)

Main business involves special pump, torque converter, IC gas flow meter, opto-electrical & mechanical integrating equipment and engineering drilling machine research, design, experiment, production and selling.

27. Jiangsu Jianghuai Engine Co., Ltd. (000816)

Main business involves internal-combustion engine, electric power generation machine, electromotor, water pump, oil mill and agricultural machine manufacturing and selling.

28. Shandong Weida Machinery Co., Ltd. (002026)

Main business involves drill collet manufacturing and selling.

29. Xiangyang Automobile Bearing Co., Ltd. (000678)

Main business involves research, production and selling of bearing and parts & components.

30. Chengdu Galaxy Power Co., Ltd. (000519)

Main business involves production and selling of key basic parts of various diesel engine-- air cylinder set and aluminum piston, and selling of network communication equipment.

31. Shanghai Jinling Co., Ltd. (600621)

Main business involves surface mount, printing circuit board, network products and engineering, electronic equipment and property operation, which related to information technology, network information and communication information and electronic products industries.

32. Guizhou Liyuan Hydraulic Components Co., Ltd. (600765)

Main business involves hydraulic pump/engine special production, rzeppa constant velocity joint production and selling.	
33. Shaanxi Construction Machinery Co., Ltd. (600984)	
Main business involves construction machinery set, road-building machinery set, metal structure products and related fittings production and selling.	
34. Ningbo Tongmuo New Materials Co., Ltd. (600114)	
Main business involves design, production and selling of various powder metallurgical products.	
35. Zhejiang Dun'An Artificial Environment Equipment Co., Ltd. (002011)	
Main business involves research, development, manufacturing, selling and technology service of central air-conditioning and end products.	
36. Zhejiang Wanfeng Auto Wheel Co., Ltd. (002085)	
Main business involves research, development, manufacturing and selling of auto aluminum-alloy wheel.	
37. Changchai Co., Ltd. (200570)	
Main business involves farming diesel engine, farming transport vehicle, reaper and other agricultural machine manufacturing and selling.	
38. Dingsheng Tiangong Construction Machinery Co., Ltd. (600335)	
Main business involves manufacturing and selling of construction machinery products.	
39. Shanghai Diesel Engine Co., Ltd. (600841)	
Main business involves production and selling of diesel engine, oil pump and diesel engine fittings.	
40. Xibei Bearing Co., Ltd. (000595)	
Main business involves production and selling of various rolling bearing.	
41. Zhejiang Feida Environmental Science & Technology Co., Ltd. (600526)	
Main business involves dust catcher and energy transmission equipment.	

42. Taiyuan Heavy Industry Co., Ltd. (600169)

Main business involves manufacturing and selling of train axle, metallurgy, steel rolling, forging, lifting machine, pressurized gasification furnace, pressure container, industrial & mineral fittings, oil-film bearing, precise-forging piece, structure piece, gear and auto transmission.

43. Zhejiang Jinggong Science & Technology Co., Ltd. (002006)

Main business involves special equipment for mechanical & electrical integration construction, building materials and textiles, high & new tech products research, development, production, operation, selling and technology service.

44. Tianjin Benefo Tejing Electric Co., Ltd. (600468)

Main business involves hydraulic components and machine, including gear pump, hydraulic valve, hydraulic set, piston pump, gear motor and various hydraulic system for agricultural machinery, engineering machinery and auto use.

45. Changlin Co., Ltd. (600710)

Main business involves engineering, forestry, environmental-protection and collection & transport machine research, production, selling and maintenance.

46. QingHai HuaDing Industrial Co., Ltd. (600243)

Main business involves production and selling of machine tool (heavy machine tool, processing center and numerical control milling machine, etc), food machine, elevator fittings and gear case.

47. Wolong Electric Group Co., Ltd. (600580)

Main business involves design, production and selling of various micro electro-machine, electronic-control equipment and electromotor.

48. Hubei Hongcheng General Machinery Co., Ltd. (600566)

Main business involves production and selling of various valves, water machinery and environmental equipment.

49. Hunan Sunward Intelligent Machinery Co., Ltd. (002097)

Main business involves production and selling of three construction machinery with independent property right: pile equipment, small construction machine and charge machine.

50. SGSB Group Co., Ltd. (600843)

Main business involves production and selling of sewing equipment and parts, sewing machine, technology development and consultation.

51. Hunan TianYi Science And Technology Co., Ltd. (000908)

Main business involves production and selling of high and low voltage switch, high pressure vacuum interrupter, pump, auto-control equipment and electro machine related to pump station engineering for agricultural and industrial use; research, design, production, selling and technology service of desiccation equipment; selling of mechanical electronic products, metal materials and chemical products (excluding dangerous articles, and allowed by policies).

52. Guangxi Liugong Machinery Co., Ltd. (000528)

Main business involves production and selling of loading machine, grab and other construction machine & parts.

53. Shanghai Light Industry Machinery Co., Ltd. (600605)

Main business involves manufacturing and selling of light machinery and full set of equipment.

54. TONMAC International Co., Ltd. (600862)

Main business involves development, production and selling of information electronics, numerical control machine tool, grassland machine and new technology products, software and network technology.

55. Jiaoda Kunji High-Tech Company Limited (600806)

Main business involves development, design, production and selling of machine tool products and fittings, computer

information products, high-efficient & energy-saving products and opto-electrical & mechanical integrating products; development of hi-tech products; technology transfer, service and consultation, etc..

56. Tiandi Science & Technology Co., Ltd. (600582)

Main business involves mine industrial automation operation, coal lustration and special underground engineering operation.

57. Sufoma Co., Ltd. (600290)

Main business involves manufacturing and selling of forestry machine, woodworker machine, artificial board machine and other machine & equipment; installation service; manufacturing, selling and installation service of full set of electrical-control and fittings, fork; selling of artificial board and its derivatives, various vehicles (excluding saloon car).

58. C&T Technology Development Co., Ltd. (600149)

Main business involves design, production and selling of various roller.

59. Guangdong Hongtu Technology (holdings) Co., Ltd. (002101)

Main business involves development, design, manufacturing, processing and selling of auto, motor, household appliance, electronics & meters, communication, machine, aluminum alloy die-castings and magnesium alloy die-castings, and related fittings.

60. Guangdong Bright Star Light & Electricity Co., Ltd. (002076)

Main business involves production and selling of energy-saving lamp, xenon metal halide lamp for vehicles, ultraviolet-germicidal lamp and other electronic ballast with special lamp-house.

61. Han's Laser Technology Co., Ltd. (002008)

Main business involves research, development, manufacturing and selling of laser processing equipment.

62. XuanHua Construction Machinery Co., Ltd. (000923)

Main business involves bulldozer, loading machine, road roller and series products & fittings production and selling.

63. KingDream Public Limited Company (000852)

Main business involves petroleum natural gas, aiguille for mine use and petroleum machine fittings.

64. Yantai Moon Co., Ltd. (000811)

Main business involves production and operation of large and medium scaled industrial refrigerating equipment, central air-conditioning equipment, grain warehousing equipment, craft cooling equipment, fruit & foodstuff, aquatic products freezing, cool storage and fresh equipment.

65. Shenyang Hejin Holding Co., Ltd. (000633)

Main business involves investment, electromotor and tools, garden machine and machine tools production and selling.

66. Jinan Diesel Engine Co., Ltd. (000617)

Main business involves manufacturing, selling and repairing of diesel engine, gas engine, and diesel & gas engine suit.

67. White Dove (Group) Co., Ltd. (000544)

Main business involves production and selling of grinding materials & tools, and yeast products.

68. Mindong Electric Group Co., Ltd. (000536)

Main business involves electric machine manufacturing, electrical & mechanical products trade, metal materials operation.

69. Shenyang Machine Tool Co., Ltd. (000410)

Main business involves mechanical equipment and machine tools manufacturing, mechanical processing, import & export trade (with license).

70. Tianjin Guangyu Development Co., Ltd. (000537)

Main business involves production and selling of GD auto vending machine, GD anti-counterfeiting measure instrument,

electronic equipment, and computer-related products.

71. XuGong Science & Technology Co., Ltd. (000425)

Main business involves development, manufacturing and selling of road-building machine, shovel and transport machine, concrete machine and other construction machine.

72. Create Technology & Science Co., Ltd. (000551)

Main business involves air purifying equipment, air purifying system engineering and water treatment equipment engineering research, development, design, selling, production, installation and service; measurement meters and instrument production and selling; export trade and auto selling; electro-bicycle production and selling; hotels & tourism service, etc..

73. SUFA Technology Industry Co., Ltd., CNNC (000777)

Main business involves design, manufacturing and selling of valves for industrial use and environmental water system valves.

74. Shantui Construction Machinery Co., Ltd. (000680)

Main business involves bulldozer, grab, harrow-material machine, shovel machine and mine machine development, manufacturing and selling; accessories set, agricultural machine and tools, mine fittings selling; mine machine repairing.

75. Changsha Zoomlion Heavy Industry Science & Technology Development Co., Ltd. (000157)

Main business involves full set of concrete machine, lifting equipment, road machine, horizontal drill equipment and fittings development, production, selling and leasing.

76. Hudong Heavy Machinery Co., Ltd. (600150)

Main business involves diesel engine and spare parts for vessel; casting and forging piece design, manufacturing and selling; land power station, metallurgical equipment, construction machinery and

other full set, mechanical & electrical equipment design, manufacturing, installation and maintenance; related technology service and consultation; construction steel structure production, import & export approved by National Foreign Economy & Trade Commission.

77. Guangdong Mingzhu Group Co., Ltd. (600382)

Main business involves valve, power generation equipment, pharmacy, wine and construction industry, etc..

78. Anhui Heli Co., Ltd. (600761)

Main business involves fork, construction machinery, mine lifting & transporting machine & fittings, casting & forging pieces, hot-treatment pieces manufacturing and selling.

79. Jinxi Axle Company Limited (600495)

Main business involves various axle production and selling, alloy steel and other precise forging pieces production, selling or entrusted processing.

80. Anshan No. 1 Construction Machinery Co., Ltd. (600813)

Main business involves “Flag” bulldozer, pocking machine and fittings production and selling, also after-sales service.

Chemical Fiber

1. Guangdong Kaiping Chunhui Co., Ltd. (000976)

Main business involves production, processing and selling of terylene, polyamide, filament and chemical fiber products.

2. Liaoyuan Deheng Company Limited (600699)

Main business involves chemical fiber product and pharmacy production and operation, caterings and hotel service, etc..

3. Anhui Wanwei Updated High-Tech Material Industry Company Limited (600063)

Main business involves polyvinyl alcohol, PVA fiber, super mold PVA fiber

and environmental cement.

4. Zhejiang Huafeng Spandex Co., Ltd. (002064)

Main business involves spandex products processing, manufacturing, selling and technology development.

5. Guangdong Xinhui Meida Nylon Co., Ltd. (000782)

Main business involves nylon 6 chips, filament, chemical printed & dyed fabrics production and selling.

6. Sinopec Yizheng Chemical Fibre Company Limited (600871)

Main business involves production and selling of chemical fiber and chemical fiber materials.

7. Dandong Chemical Fibre Co., Ltd. (000498)

Main business involves production and selling of viscose staple fibre, viscose filament, terylene fiber and terylene filament products; also electronic production and heating supply service.

8. Jilin Chemical Fibre Co., Ltd. (000420)

Main business involves production and selling of viscose filament and viscose short fiber.

9. Shandong Wanjie High-tech Co., Ltd. (600223)

Main business involves production and selling of new chemical fiber, textiles, capsules, troches and thermal electric power, medical service, healing and recuperation, medical consultation service, etc..

10. Jiangsu Huaxicun Co., Ltd. (000936)

Main business involves textiles, chemical materials, chemical fiber, clothing manufacturing and thermal electric power station.

11. Bao Ding Swan Co., Ltd. (000687)

Main business involves production and selling of viscose filament.

12. Nanjing Chemical Fibre Co., Ltd. (600889)

Main business involves production and selling of viscose filament, production and supply of tap water.

13. Shen Ma Industry Co., Ltd. (600810)

Main business involves production and selling of nylon 66 dipped tire cord fabric and nylon 66 industrial fiber.

14. Wuxi Taiji Industry Limited Corporation (600667)

Main business involves tire cord fabrics and canvases and textile machine products.

15. Shanghai Lian Hua Fibre Corporation (600617)

Main business involves production, processing and selling polyester clips, synthetic fiber and its deep-processing products.

16. Shandong Helon Co., Ltd.(000677)

Main business involves production and selling of cotton pulp for chemical fiber use and viscose fiber.

17. Hubei Golden Ring Co., Ltd. (000615)

Main business involves chemical fiber and communication.

18. Sinoma Science & Technology Co., Ltd. (002080)

Main business involves production and selling of special fiber compound materials and products, also providing technology and equipment service.

19. Xinxiang Chemical Fibre Co., Ltd. (000949)

Main business involves production and selling of viscose filament and viscose short fiber.

Electrical Apparatus

1.Acheng Relay Co., Ltd. (000922)

Main business involves development, manufacturing and selling of relay and relay protection device and system, automated full set equipment and system, industrial and daily electrical apparatus; computer technology and application; power source and industrial control products.

2. Chongqing Wanli Storage Batteries Co., Ltd. (600847)

Main business involves manufacturing and selling of lead-acid storage battery.

3. Zhejiang Supor Co., Ltd. (002032)

Main business involves design, manufacturing and selling of electric pressure cooker, aluminum cooker and small home appliance.

4. Zhejiang Sunlight Group Co., Ltd. (600261)

Main business involves development, manufacturing and selling of energy-saving electric lamp-house, illuminating appliance, instrument and equipment.

5. TCL Corporation (000100)

Main business involves multimedia electronics, communication, household appliance, information, electricians and products industries.

6. Foshan Electrical and Lighting Co., Ltd. (200541)

Main business involves production and operation all kinds of electric lamp-house and fitted lamps & lanterns.

7. Huayi Compressor Co., Ltd. (000404)

Main business involves production and selling of fluorine-free compressor, fluorine-free refrigerator and fittings.

8. Jiangsu Dongyuan Electrical Group Co., Ltd. (002074)

Main business involves production and selling of seven series products of 12KV switch, 40.5KV switch, 126KV switch (containing GIS assembled electrical apparatus), 12KV switch equipment, 40.5KV switch equipment, light steel structure, low-voltage electrical apparatus and components.

9. Guangdong Macro Co., Ltd. (000533)

Main business involves production and selling of electric power transmission and distribution equipment for city network, bath & kitchen gas appliance, precise processing machinery and communication equipment.

10. Elec-Tech International Co., Ltd. (002005)

Main business involves research, development, production and selling of small household appliance products.

11. Zhejiang Shangfeng Industrial Holdings Co., Ltd. (000967)

Main business involves research, development, production and selling of various axis-flow fanner, centrifuged fanner, and various wind-cooling, water-cooling, refrigerating, freezing equipment and other high & new tech products, also providing technology service.

12. Shanghai Highly (Group) Co., Ltd. (600619)

Main business involves production and selling of air-conditioning compressor, refrigerating compressor and dehumidifying compressor.

13. Guangzhou Refrigeration Co., Ltd. (000893)

Main business involves design, manufacturing and selling of refrigerating compressor.

14. Fengfan Co., Ltd. (600482)

Main business involves development, production and selling of storage batteries; production and selling of storage battery parts & components, and materials, plastics products, glassfiber products.

15. Harbin Air Conditioning Co., Ltd. (600202)

Main business involves production and selling of air cooling & condensing equipment, high, medium and low voltage heat exchanger, refrigerating air-conditioning equipment, environmental dust-catching equipment and radiator.

16. Guizhou Electrical Apparatus Co., Ltd. (600112)

Main business involves production and selling of two series products of high and low voltage electrical appliance components, high and low voltage electrical appliance set.

Pesticide & Fertilizer

1. Hubei Sanonda Co., Ltd. (000553)

Main business involves production and selling of pesticide chemical products.

2. Chongqing Jianfeng Chemical Co., Ltd. (000950)

Main business involves production and selling of chemical fertilizer (including compound fertilizer), oxygen, argon, nitrogen and liquid ammonia, investing chemical fertilizer and chemical products development project making use of own fund, and also cargoes import & export.

3. Hubei Yihua Chemical Industry Co., Ltd. (000422)

Main business involves production and selling of chemical fertilizer and chemical products.

4. Qinghai Salt Lake Potash Co., Ltd. (000792)

Main business involves production, processing and selling of potassium chloride.

5. Guzhou Chitianhua Corp. (600227)

Main business involves production and selling of urea.

6. Hunan Haili Chemical Industry Co., Ltd. (600731)

Main business involves development, production and selling of pesticide and fine chemical products; new chemical technology and products research & development, result transfer, technology consultation, training and service.

7. Zhengjiang Shenhua Biok Biology Co., Ltd. (600226)

Main business involves production and operation of animal drug, pesticide materials and products, and related feedstuff additives.

8. Sichuan Meifeng Chemical Industry Co., Ltd. (000731)

Main business involves production and operation of urea and chemical fertilizer for

agricultural use.

9. Zhejiang Xinan Chemical Industrial Group Co., Ltd. (600596)

Main business involves development, production and selling of glyphosate, chlorpyrifos and other high-efficient & low poison pesticide; research, development, production and operation of organic silicon monomer and its downstream products; development, production and operation of fine and biological chemical products.

10. Shandong Lubei Chemical Co., Ltd. (600727)

Main business involves production and selling of diammonium phosphate, sulphuric acid, cement, bromine, NPK fertilizer and alkali.

11. Shandong Luxi Chemical Co., Ltd. (000830)

Main business involves production and selling of chemical fertilizer.

12. Liaoning Huajin Tongda Chemicals Company Limited (000059)

Main business involves production and selling of chemical fertilizer.

13. Nanjing Redsun Co., Ltd. (000525)

Main business involves production and selling of pesticide and fine chemical products, technology consultation service, investment management and consultation.

14. Shandong Dacheng Pesticide Co., Ltd. (600882)

Main business involves production and selling of pesticide, and basic chemical materials; road transportation; caterings and accommodations (only operated by branch); non-publishing printing (only operated by Zichuan Chemical Plant); import & export approved by business range; production and selling of calcium-plastics box and plastics bottle.

Motorcycle

1. Jinan Qingqi Motorcycle Co., Ltd. (600698)

Main business involves motorcycle and parts design, development, production and selling; motorcycle technology consultation, service, introduction and transfer; import & export approved by license.

2. Tibet Summit Industry Co., Ltd. (600338)

Main business involves production and selling of "Summit" motorcycle and parts, providing after-sales service.

3. Chongqing Zongshen Power Machinery Co., Ltd. (001696)

Main business involves development, production and selling of motorcycle engine and parts & components.

4. China Jialing Industrial Co., Ltd. (600877)

Main business involves production and selling of motorcycle and engine, parts and components.

5. Zhejiang Qianjiang Motorcycle Co., Ltd. (000913)

Main business involves production and selling of motorcycle and fittings.

6. Nan Fang Space Navigation Science & Technology Co., Ltd. (000738)

Main business involves research, development, production, selling and installation of motorcycle, motor engine and its derivatives, and technology transfer and selling of equipment, parts and components.

7. Sundiro Holding Co., Ltd. (000571)

Main business involves motorcycle industrial village development, motorcycle and engine parts production and operation; high technology development, property management, import & export.

Shipbuilding

Guangzhou Shipyard International Company Limited (600685)

Main business involves ship building, container manufacturing, ship repairing and steel structure, machine for land use and other business.

Development zone

1. Tianjin Jinbin Development Co., Ltd. (000897)

Main business involves infrastructure development, construction and operation; all kinds of materials and commercial goods retailing and wholesale; building formwork, machine tools and self-owned equipment leasing and operation; research, development and selling of high & new technology products including rare earth materials and electronic products (excluding communication equipment); technology service; development, production and selling of new-type building materials.

2. Jonjee High & New Technology and Industrial Group Co., Ltd. (600872)

Main business involves research, development, manufacturing and selling of high & new technology products; investment invitation and trade, service industry.

3. Wuhan East Lake High Technology Group Co., Ltd. (600133)

Main business involves sci-tech industrial park development and construction, high & new technology industry investment and operation.

4. DongGuan Winnerway Industrial Zone Ltd. (000573)

Main business involves real estate development.

5. Nanjing Xingang High-Tech Company Limited (600064)

Main business involves high & new technology industry investment and development; city planning infrastructure construction; land development; building installation engineering; commercial house development and selling; property management; domestic trade; engineering design; consultation service; thermal power, electric power and vapor supply.

6. Changchun E&T Development (Group) Co., Ltd. (600215)

Main business involves public facilities investment, development, construction, leasing, operation and management; real estate development and property management; industry and sci-tech investment.

7. Suzhou New District Hi-Tech Industrial Co., Ltd. (600736)

Main business involves real estate development, infrastructure development and operation.

8. Shanghai Zhangjiang Hi-Tech Park Development Co., Ltd. (600895)

Main business involves land development and land use right management of company's conferred land; city planning infrastructure construction investment, property investment and operation; commercial hi-tech project investment and operation; real estate development and operation.

Bicycle

1. Shanghai Forever Co., Ltd. (600818)

Main business involves production and selling of bicycle and parts & components, gas powered bicycle, motor-assisted electrically powered bicycle, special vehicle, bicycle and related fittings; import & export and technology consultation, etc..

2. Phoenix Co., Ltd. (600679)

Main business involves real estate development and operation, city and greening construction, old-area rebuilding, commercial development, city planning infrastructure construction, property, warehouse and logistics operation and management; production and selling of bicycle, two-wheel motorcycle (below FH100), children car, fitness equipment, bicycle industrial equipment and formwork, also fittings related to above products.

3. Shenzhen China Bicycle Company (Holdings) Limited (000017)

Main business involves production and selling of bicycle and parts & components.

Biopharmaceuticals

1. Zhejiang Hisun Pharmaceutical Co., Ltd. (600267)

Main business involves development, production and selling of chemical materials, chemical intermediates, medical preparations, bioharmacy, tradition Chinese medicine, traditional Chinese preparations, medical accessories (above five series only limited to capsule, troche, powder for injection and oral solution).

2. Shandong Xinhua Pharmaceutical Co., Ltd. (000756)

Main business involves development, production and selling of chemical material drug, preparation and chemical products.

3. North China Pharmaceutical Co., Ltd. (600812)

Main business involves production and selling of medicine chemical products.

4. Wuhan Humanwell Hi—tech Industry Company Limited (600079)

Main business involves research, development, production and selling of medicines and pharmaceuticals, medical device and procreation health products, also technology service; real estate

development and selling; heat supplying equipment manufacturing and selling.

5. Huadong Medicine Co., Ltd. (000963)

Main business involves production and operation of traditional Chinese material medicine and Western medicine.

6. Shandong Lukang Pharmaceutical Co., Ltd. (600789)

Main business involves bio-fermentation and bio-synthetic products, currently producing and operating antibiotics for person, semi-synthetic antibiotics, antibiotics for animal, bio-tech pharmaceuticals, and preparation related to antibiotics, medical intermediaries, medical resin, starch and glucose.

7. Guangxi Beisheng Pharmaceutical Co., Ltd. (600556)

Main business involves research, development, production and selling of bio-products, blood products, traditional Chinese medicine, chemical medicine, antibiotics, traditional Chinese medicine materials and healthcare medicine.

8. Dalian Merro Pharmaceutical Co., Ltd. (600297)

Main business involves production and selling of chemical material medicine, chemical preparation, medical device and plant medicine, and retailing and wholesale of various medicines.

9. JiLin AoDong Medicine Industry Group Co., Ltd. (000623)

Main business involves pharmacy, also breeding, planting, real estate development, commerce, machine repairing, warehousing, catering service and transportation.

10. Inner Mongolia Jinyu Group Co., Ltd. (600201)

Main business involves bio-pharmaceutical manufacturing, real estate development, cashmere textile and biotech development & application.

11. Chongqing Taiji Industry (Group) Co., Ltd. (600129)

Main business involves traditional Chinese medicine, Western medicine,

healthcare products, medical packing products, medical device and materials, traditional Chinese medicine materials, traditional Chinese medicine decoction pieces and medical package import and export.

12. Hubei Guangji Pharmaceutical Co., Ltd. (000952)

Main business involves production and operation of materials medicine, medical preparation and feedstuff additives, export self-made medicine.

13. Shandong Jintai Group Co., Ltd. (600385)

Main business involves research, development, production and selling of chemical materials medicine, chemical medicine, traditional Chinese medicine preparation, bio-pharmaceuticals; retailing and wholesale of traditional Chinese medicine and Western medicine.

14. Chongqing Tong Jun Ge Co., Ltd. (000591)

Main business involves traditional Chinese medicine manufacturing, traditional Chinese medicine decoction pieces processing, traditional Chinese medicine materials, invigorant medicine, and recuperation and healthcare products selling.

Main business involves production and selling of biological products, biochemical products, marine medicine, marine biological products and traditional Chinese medicine.

76. Anhui Fengyuani Pharmaceutical Co., Ltd. (000153)

Main business involves

biopharmaceuticals, traditional Chinese medicine, chemical synthetic medicine and preparations, etc..

77. Chengdu Hoist Inc., Ltd. (000790)

Main business involves production and selling of traditional Chinese medicine and Western medicine, development and operation of high & new tech products, production and selling of bioengineering products.

78. Tibet Rhodiola Pharmaceutical Holding Co. (600211)

Main business involves production and selling of Hongjing rhodiola medicine (oral liquid, capsule and tincture), Tibet medicine natural pharmaceuticals, medical device and sanitation healthcare products.

79. Jilin Pharmaceutical Limited Company (000545)

Main business involves production and operation of material medicine, medical intermediaries, traditional Chinese medicine and Western medicine, chemical products and healthcare products.

80. Shandong Huayang Technology Co., Ltd. (600532)

Main business involves research, development, popularization, manufacturing and selling of pesticide and pesticide intermediaries, including insecticide, bactericide, herbicide and seedicide, etc..

81. Shanghai Kehua Bio-Engineering Co., Ltd. (002022)

Main business involves research, production and selling of in vitro immune diagnosis reagent, in vitro clinical chemical diagnosis reagent, nucleic acid diagnosis reagent, bio-engineering medicine and auto inspection and diagnosis instrument related to in vitro diagnosis reagent.

82. Southwest Pharmaceutical Co., Ltd. (600666)

Main business involves production of troche, preparation for injection, freeze-dry, transfusion and stupefacient.

83. Guangzhou Baiyunshan Pharmaceutical Stock Co., Ltd. (000522)

Main business involves production, retailing, wholesale and selling of various traditional Chinese medicine and Western medicine, including troche, preparation for injection, emulsion and oral liquid; real estate development, automobile maintenance and so on.

84. Jiangsu Kanion Pharmaceutical Co., Ltd. (600557)

Main business involves production, and selling of traditional Chinese medicine and healthcare products.

85. Jiuzhitang Co., Ltd. (000989)

Main business involves production and selling of traditional Chinese medicine for hepatitis and blood enriching; retailing and wholesale of medicine.

86. Chongqing Huapont Pharm. Co., Ltd. (002004)

Main business involves production and selling of chemical material medicine and preparation.

87. Guangdong Kangmei Pharmaceutical Co., Ltd. (600518)

Main business involves pharmaceutical production, scientific research, wholesale and chain distribution.

88. Topsun Science And Technology Co., Ltd. (600771)

Main business involves high-tech bio-pharmaceuticals.

89. Hangzhou Tian-Mu-Shan Pharmaceutical Enterprise Co., Ltd. (600671)

Main business involves manufacturing and selling of bio-pharmaceuticals, traditional Chinese medicine, Western medicine, healthcare products, electronic products and mechanical paper; commercial trade and booth rentng.

90. Shanghai Worldbest Pharmaceutical Co., Ltd. (600656)

Main business involves production and selling of fatty alcohol, stearic acid and glycerol and such lipin chemical products, black washing products.

91. Sichuan Dikang Sci & Tech Pharmaceutical Industry Co. (600466)

Main business involves research and manufacturing of medicine for external use,

soft ointment, nose dripping, suppository, oral liquid, chemical materials and traditional Chinese medicine, technology consultation and transfer, selling of healthcare products and foodstuff, beverage and pharmaceutical materials.

92. Guilin Jiqi Pharmaceutical Co., Ltd. (000750)

Main business involves manufacturing and selling of troche, hard capsules, granules, eye-dripping, soft capsules and emulsion.

93. Changchun High & New Technology Industries (Group) Inc. (000661)

Main business involves new pharmaceutical development, technology transfer and consultation, new tech products development, production, selling and service; comprehensive city development, infrastructure development and construction, property management, concentrated heating; high & new technology result transfer and agent service, commercial supply and marketing, industry investment, caterings and entertainment, hotels, training and ad business.

94. Shan Dong Dong-E E-Jiao Co., Ltd. (000423)

Main business involves production and operation of traditional Chinese medicine, bio-pharmaceutical, healthcare food, medical accessories, medical device, packing & printing and so on.

95. NanJing Medical Company Limited (600713)

Main business involves operation of medicine, medical device, chemical reagent and glass instrument; research, development, production and selling of pharmaceuticals.

96. Tonghua Golden-Horse Pharmaceutical Industry Co., Ltd. (000766)

Main business involves production and selling of traditional Chinese medicine and Western medicine, bio-chemical preparation, nutrition and healthcare products.

97. Southwest Synthetic Pharmaceutical Co., Ltd. (000788)

Main business involves research, development, production and selling of chemical material medicine and preparations.

98. Zhejiang Hisoar Pharmaceutical Co., Ltd. (002099)

Main business involves production and selling of material medicine and medical intermediaries.

99. Joincare pharmaceutical Group Industry Co., Ltd. (600380)

Main business involves research, development, production and selling of traditional Chinese medicine, healthcare products and Western medicine.

100. Apelo Kangyu Co., Ltd. (000739)

Main business involves research, production and selling of medical-chemical products.

101. Guizhou Yibai Pharmaceutical Co., Ltd. (600594)

Main business involves production and selling of traditional Chinese medicine products.

102. Tonghua Dongbao Pharmaceutical Co., Ltd. (600867)

Main business involves production and selling of traditional Chinese medicine and Western medicine, biological products and plastics building materials.

103. Jiangsu Hengrui Medicine Co., Ltd. (600276)

Main business involves development, production and selling of chemical material medicine, troche, capsule, powder preparation for injection, SP compound film and PTP aluminum foil.

Electronic Components

1. Shanghai Belling Corp., Ltd. (600171)

Main business involves integrated circuit design, manufacturing, selling and technology service.

2. Dalian Daxian Co., Ltd. (600747)

Main business involves metal parts and components of electronic gun for color tube, mobile phone, spread spectrum digital cordless phone, network equipment, TV set, display, precise mould, precise micro-axis and super-precise multi-layer circuit board.

3. Shanghai SVA Electron Co., Ltd. (600602)

Main business involves production and selling of vacuum opto-electronic apparatus and applied products & fittings.

4. Shijiazhuang Baoshi Electronic Group Co., Ltd. (200413)

Main business involves electronic vacuum glass apparatus and electronic components.

5. BOE Technology Group Co., Ltd. (200725)

Main business involves photoelectron and display, end equipment for information display, wireless communication and mobile information equipment, system solution scheme, software and service, etc..

6. Shanghai Feilo Acoustics Co., Ltd. (600651)

Main business involves IC card application software and software integration, multimedia network and long-distance control system engineering, IC card and intelligent end equipment, digital electronic products manufacturing.

7. Fujian Furi Electronics Co., Ltd. (600203)

Main business involves manufacturing and selling of computer and fittings, electronic products and communication equipment, household appliance, electronics; operation and agent of various commodities and technologies export & import; imported materials processing and compensation trade, counter trade and entrepot trade.

8. Zhejiang Haina Science and Technology Co., Ltd. (000925)

Main business involves development, manufacturing and selling of

mono-crystalline silicon and its products, as well as semiconductor components, also providing technology service.

9. Hainan Huandao Industry Co., Ltd. (000691)

Main business involves manufacturing and selling of electronics, electronic appliance, electronic components, household appliance, computer end products and communication equipment; large capacity CD & disc drive and parts.

10. Xianyang Pianzhuan Co., Ltd. (000697)

Main business involves manufacturing and wholesale & retailing of deflexion loop and its matched products for color tube, and high tech products.

11. Grinn Semiconductor Materials Co., Ltd. (600206)

Main business involves research, development and production of mono-crystalline silicon, germanium and compound semiconductor materials.

12. Guangdong Fenghua Advanced Technology (Holding) Co., Ltd. (000636)

Main business involves research, production and selling of basic electronic information products such as new type slice components, optoelectrical & mechanical integrated electronic equipment and electronic materials.

13. Anhui Tongfeng Electronics Company Limited (600237)

Main business involves research, development, production and selling of film electronic container and related materials, scientific & tech result transfer.

14. Henan Ancai Hi-Tech Co., Ltd. (600207)

Main business involves production and selling of 21#, 25#, 29# color glass.

15. Shanghai Feilo Co., Ltd. (600654)

Main business involves electronics, wired & wireless communication equipment, information network, full acoustics system and engineering service.

16. Chengdu Xuguang Electronics Co., Ltd. (600353)

Main business involves production and

operation of electronic vacuum components, switch electronics and applied electronics.

17. Taiyuan Twin Tower Aluminum Oxide Co., Ltd. (000795)

Main business involves production and selling, research and development, technology service of rare-earth permanent-magnet material and products, brown fused aluminum oxide, logistics equipment & control and information system, aluminum oxide products and grinding tools.

18. Hengdian Group DMEGC Magnetics Co., Ltd. (002056)

Main business involves production and selling of permanent magnetic ferrite, soft-magnetic ferrite, other magnetic materials and batteries.

19. Shenzhen Seg Co., Ltd. (200058)

Main business involves production and operation of color tube, electronic system engineering, network engineering, telecom and other high tech information products, operation of information service industry, management of electronics market, bonded warehousing, and foreign transportation, etc..

20. Zhejiang King Refrigeration Industry Co., Ltd. (600340)

Main business involves production and operation of screw chiller unit, air-cooled heat pump unit, modular air conditioning unit, fan-coil unit, household central air-conditioner and separate unit type air-conditioner, etc..

21. Shenzhen Seg Samsung Glass Co., Ltd. (000068)

Main business involves production and operation of glass hull for color-tube and materials, glass equipment, flat display glass and materials.

22. Hangzhou Silan Microelectronics Co., Ltd. (600460)

Main business involves development, production and selling of integrated circuit for CMOS, BiCMOS and double polarities consumer machine.

23. Shenzhen Desay Battery Technology Co., Ltd. (000049)

Main business involves development, production and selling of mercury-free alkaline Zn/MnO₂ battery, primary lithium battery, zinc-air battery, nickel-metal hydride battery, Li-polymer battery, fuel battery and batteries made by other materials, battery materials, fittings and equipment.

24. Tongling Jingda Special Magnet Wire Co., Ltd. (600577)

Main business involves manufacturing and selling of copper magnet wire.

25. Xiamen Faratronic Co., Ltd. (600563)

Main business involves manufacturing of film electronic container and metallized film materials.

26. Guizhou Space Appliance Co., Ltd. (002025)

Main business involves research, manufacturing and selling of relay and electronic connector.

27. Liaoning Guoneng Group (Holding) Co., Ltd. (600077)

Main business involves communication electrical source products, semiconductor refrigerating products, computer software and system integration products, mechanical products.

28. Jiangxi Lianchuang Optoelectronic Science. and Technology Co., Ltd. (600363)

Main business involves optoelectronic components, relay, optoelectronic wire and cable, communication end and system equipment, computer application service and software, etc..

29. Shenzhen Tianma Microelectronics Co., Ltd. (000050)

Main business involves production and selling of LCD and LCM.

30. Aerospace Communications Holdings Co., Ltd. (600677)

Main business involves war industry manufacturing, communication industry investment, communication products development, communication engineering and equipment, light textiles products, knitted fabrics and accessories production

and selling, import & export, industrial investment and development, real estate development, and computer network engineering.

31. Zhejiang Holley Technology Co., Ltd. (600097)

Main business involves manufacturing and selling of electric power automated system, electronic equipment for electric power, and grid end equipment, high & low voltage appliance, technology development and service of electric power management software.

32. JiLin Sino-Microelectronics Co., Ltd. (600360)

Main business involves design, development, manufacturing and selling of semiconductor components, integrated circuit, electronic products for electric power, automotive electronic products, automated meters, electronic parts and applied software.

33. Nanjing Huadong Electronics Information & Technology Co., Ltd. (000727)

Main business involves manufacturing and selling of vacuum electronic components, electrical light source products, display components, new type electronic appliance and materials, and crystal components; power supply.

34. Irico Display Devices Co., Ltd. (600707)

Main business involves manufacturing and selling of color tube.

35. Chengdu Book Digital Co., Ltd. (600083)

Main business involves research, development, manufacturing and selling of deflexion loop, metal enamel covered wire, magnetic convergence unit and other electronic components; research, development and selling of computer hardware & software; information service and computer system integration, communication equipment and components production and operation, etc.

36. Huagong Tech Company Limited (000988)

Main business involves optoelectrical products, information and biopharmaceuticals.	
37. Shenzhen Sed Industry Co., Ltd. (000032)	
Main business involves electronic equipment, electronic components, consumer electronic communication products and real estate development.	
38. Kingray New Materials Science & Technology Co., Ltd. (600390)	
Main business involves technology development; production and selling of electronic base materials, metal materials, super-hard materials and products, special equipment. The leading products are catalyst alloy and synthetic diamond products for trimanganese tetraoxide and synthetic diamond use.	
39. Gansu GreatWall Electrical Co., Ltd. (600192)	
Main business involves production and selling of general alternator, large and medium scale alternating & direct current motors, spindle servo motor, high & medium voltage switch equipment, machine tools, generatrix groove, electric drive equipment, and high & low voltage electrical component.	
40. Sinosteel Anhui Tianyuan Technology Co., Ltd. (002057)	
Main business involves research, development, production and selling of magnetic materials, magnetic components, magnetic separation and related equipment.	
41. Shenzhen Deren Electronic Co., Ltd. (002025)	
Main business involves research, development, production and selling of electronic connectors for household appliance (color TV, air-conditioner, washing machine and refrigerator, etc.), communication and automotive industries; manufacturing and selling of various precise unit products and precise moulds.	
42. Beijing Dynamic power Co., Ltd. (600405)	
Main business involves providing	

electrical power source system products of communication switch, and concentrade control system products.

43. Suzhou Good-ark Electronics Co., Ltd. (002079)

Main business involves diode chips manufacturing and diode sealing, testing and selling.

44. Jiangxi Xinxin Industrial Co., Ltd. (600373)

Main business involves production and seling of "Shangrao" middle and general passenger car and "Fangyuan" enamel covered wire.

45. BGRIMM Magnetic Materials & Technology Co., Ltd. (600980)

Main business involves research, development, production and selling of magnetic materials and magnetic components.

46. Tiantong Holding Co., Ltd. (600330)

Main business involves production and selling of soft ferrite magnet-core.

47. Sichuan Haite High-Tech Co., Ltd. (002023)

Main business involves airhorne electronics, electrical gas and mechanical equipment testing and repairing; aerospace power equipment maintenance; airhorne equipment and air testing equipment research, manufacturing and selling; airhorne equipment technology development and transfer.

48. Guangdong Shengyi Sci.Tech Co., Ltd. (600183)

Main business involves production and selling of copper foil covered board and semi-soildified prepregs.

49. Tangshan Jingyuan Yufeng Electronics Co., Ltd. (002049)

Main business involves development, production and selling of piezoelectric quartz crystal components.

50. Jiangsu Hengtong Photoelectric Stock Co., Ltd. (600487)

Main business involves production and selling of optical fiber and optical cables.

51. Shaanxi Baoguang Vacuum Electronic Apparatus Co., Ltd. (600379)

Main business involves research,

development, production and selling of high, medium and low voltage vacuum arc extinguish chambers, vacuum breaker and vacuum switch cabinet.

52. Citychamp Dartong Co., Ltd. (600067)

Main business involves manufacturing and selling of special enamel covered wire, real estate development and selling.

Brewing

1. Shanxi Xinghuacun Fen Wine Factory Co., Ltd. (600809)

Main business involves production and selling of Fen wine and Zhuyeqing wine; research, development, production and application of wine high technology and products.

2. Tuopai Yeast Liquor Co., Ltd. Sichuan (600702)

Main business involves operation of Chinese famous wine "Tuopai Yeast Liquor" and series products.

3. Yantai Changyu Pioneer Wine Company Limited (000869)

Main business involves brewing, production and selling of grape wine, brandy, champagne and healthcare wine with grape and apple as materials.

4. Gansu Huangtai Wine-Marketing Industry Co., Ltd. (000995)

Main business involves production and selling of wine products.

5. Wuliangye Yibin Co., Ltd. (000858)

Main business involves production and selling of Wuliangye and series wine.

6. Lanzhou Huanghe Enterprise Co., Ltd. (000929)

Main business involves production, wholesale and retailing of beer, malt and beverage, warehousing, wholesale and retailing of building materials, general machine and other foodstuff; production and selling of beer barley and beef cattle; sci-tech risk investment.

7. ZheJiang GuYue LongShan ShaoXing Wine Co., Ltd. (600059)

Main business involves development, production and selling of yellow wine, alcohol, ratafee, beverage, non-staple food and food materials and accessories.

8. Kweichow Moutai Co., Ltd. (600519)

Main business involves produciton and selling of Kweichow Moutai and series products.

9. Xinjiang Yilite Industry Co., Ltd. (600197)

Main business involves produciton of Yili distilled spirit and Yili yeast liquor.

10. Sichuan Swellfun Co., Ltd. (600779)

Main business involves produciton and selling of wine, biological materials and products (excluding that limited by State); real estate development and operation.

11. Luzhou Lao Jiao Co., Ltd. (000568)

Main business involves produciton and selling of Luzhou Lao Jiao and series products.

12. Beijing Yanjing Brewery Co., Ltd. (000729)

Main business involves produciton and selling of beer, mineral water, beer materials, feedstuff, yeast, plastics box, carton, plastic bucket, foodstuff, and also transportation.

13. Tonghua Grape Wine Co., Ltd. (600365)

Main business involves produciton and selling of grape wine.

14. Hebei Yufeng Industry Co., Ltd. (600559)

Main business involves produciton and selling of distilled spirit, breeding and selling of commerical pig and boar, production and selling of feedstuff.

15. Gansu Mogao Industrial Development Co., Ltd. (600543)

Main business involves produciton and selling of agricultural products, processed products and medicine.

16. Anhui Golden SeedWinery Co., Ltd. (600199)

Main business involves produciton and

selling of distilled spirit, processing, manufacturing and selling of leather and packing materials; operation and agent of various commercial goods and technologies import & export (excluding those State limited or prohibited)

17. Tsingdao Brewery Co., Ltd. (600600)

Main business involves production and selling of beer.

18. Xinjiang Hops Co., Ltd. (600090)

Main business involves production, processing and selling of hops, hops products (such as granule and ointment), beer barley, casein, essence & flavor, and other agricultural by-products (excluding grain and cotton); chemical materials and products, cotton yarn and fabric, non-staple food and other foodstuff.

19. Fujian YanJing HuiQuan Brewery Co., Ltd. (600573)

Main business involves production and selling of beer and beverage.

20. Jiugui Liquor Co., Ltd. (000799)

Main business involves production and selling of Xiangquan liquor and Jiugui liquor series products.

21. Shandong Lanling Chenxiang Jiuye Co., Ltd. (600735)

Main business involves production and selling of beverage wine and alcohol.

22. Chongqing Brewery Co., Ltd. (600132)

Main business involves production and selling of beer.

23. Tibet Galaxy Science & Technology Development Co., Ltd. (000752)

Main business involves development and processing of beer and saffron, also hotel and tourism.

Non-ferrous Metal

1. Yunnan Aluminum Co., Ltd. (000807)

Main business involves production and selling of aluminum smelting, aluminum processed products, charcoal and charcoal products; foreign future hedge.

2. Yunnan Tin Co., Ltd. (000960)

Main business involves production and selling of non-ferrous metal and deep-processed products.

3. Henan Zhongfu Industry Co., Ltd. (600595)

Main business involves production and selling of electrolyzing aluminum.

4. Xinjiang Joinworld Co., Ltd. (600888)

Main business involves smelting and pressing of non-ferrous metal aluminum.

5. Baotou Aluminium Co., Ltd. (600472)

Main business involves production and selling of initial processed products of aluminum such as aluminum alloy ingot for A356 casting and rare-earth aluminium rod for electrical purpose, and aluminum ingots for remelting.

6. Lanzhou Aluminium Co., Ltd. (600296)

Main business involves production and selling of aluminum ingots and aluminum materials.

7. Shandong Aluminum Industry Co., Ltd. (600205)

Main business involves production and selling of alumina, aluminum hydroxide, multi-variety alumina, gallium, electrolyzed aluminum, aluminum alloy, aluminum products and charcoal products.

8. JiaoZuo WanFang Aluminum Manufacturing Co., Ltd. (000612)

Main business involves aluminum smelting and processing, aluminum products and metal materials selling.

9. Tibet Mineral Development Co., Ltd. (000762)

Main business involves exploitation and selling of chromite, processing and selling of chromium-iron alloy, exploitation and processing of copper mine, and exploitation of gold mine.

10. Baoji Titanium Industry Co., Ltd. (600456)

Main business involves production, processing and selling of titanium and titanium alloy.

11. Zhe Jiang Dongliang New building Materials Co., Ltd. (002082)

Main business involves development, production and selling of various aluminum alloy type products, including powder spray paint, fluorine-carbon spray paint, stainless steel clad, electrophoresis paint, coloring aluminum alloy profiles, break bridge & thermal insulation aluminum product lines and industrial aluminum alloy profiles.

12. Shanxi Guanlu Co., Ltd. (000831)

Main business involves production and selling of aluminum ingot, aluminum rod and aluminum foil.

13. Shandong Gold-Mining Co., Ltd. (600547)

Main business involves production and selling of gold exploitation, selecting and processing, compounding with production of silver and sulphur concentrates.

14. Xiamen Tungsten Co., Ltd. (600549)

Main business involves smelting and deep processing of tungsten.

15. Shandong Nanshan Aluminum Industry Co., Ltd. (600219)

Main business involves development, production and selling of aluminum products and wool textiles, production and supply of electric power.

16. Huludao Zinc Industry Co., Ltd. (000751)

Main business involves zinc, copper smelting and deep-processed products, sulphuric acid, cupric sulfate, cadmium and indium products processing, heavy non-ferrous metal and products processing, non-precious products purchasing and selling.

17. Anhui Tongdu Copper Stock Co., Ltd. (000630)

Main business involves exploitation, smelting and processing of copper compound with production of gold, silver and sulphuric acid, production and

processing of aluminum profiles.

18. China Tungsten and High-Tech Materials Co., Ltd. (000657)

Main business involves research, development, production and selling of hard alloy, rare metals such as tungsten, molybdenum, tantalum and niobium, and their deep-processed products.

19. Hunan Zhuye Torch Metals Co., Ltd. (600961)

Main business involves production and selling of zinc and zinc alloy, also industrial sulphuric acid.

20. Shenzhen Zhongjin Lingnan Nonfemet Company Limited (000060)

Main business involves exploitation, processing, smelting of lead and zinc, production of energy-saving materials such as battery zinc powder, processing of aluminum profiles, curtain wall installation, taxi operation and real estate development, etc..

21. Sichuan Atlantic Welding Consumable Co., Ltd. (600558)

Main business involves development, production and selling of welding materials of welding wire, welding thread and welding flux three categories, eight series, more than 200 kinds and over 800 specifications.

22. Jilin Ji En Nickel Industry Co., Ltd. (600432)

Main business involves development, production and selling of nickel sulphate, nickel matte, electrolyzed nickel, nickel hydroxide, nickel chloride, cupric sulfate, copper concentrates and sulphuric acid.

23. Yunnan Chihong Zinc & Germanium Co., Ltd. (600497)

Main business involves production and selling of lead, zinc and germanium series products.

24. Henan Yuguang Gold & Lead Co., Ltd. (600531)

Main business involves production and selling of electrolyzed lead, silver, gold, matte, sulphuric acid and zinc hypoxide.

25. Jiangsu Hongbao Hardware Co., Ltd. (002071)

Main business involves manufacturing and selling of hardware & tools, gardening

tools, electromotor tools, forging pieces, auto parts and components, reamer and scissors, cooking utensils, water pump and flowmeter.

26. Jiangxi Copper Company Limited (600362)

Main business involves copper mine exploitation, processing, smelting and refining.

27. Anhui Xinke New Materials Co., Ltd. (600255)

Main business involves production and selling of rare-earth copper rod, rare-earth alloy copper band, carbon fiber metal matrix composites and products, oxide porcelain powder and products, ammonium molybdate products and special radiation electric cables.

28. Zhongjin Gold Co., Ltd. (600489)

Main business involves geological investigation, processing and smelting of gold.

29. Sino-Platinum Metals Co., Ltd. (600459)

Main business involves production and selling of rare metal high-purity materials and rare metal functional materials.

30. Inner Mongolia Baotou Steel Rare-earth Hi-Tech Co., Ltd. (600111)

Main business involves production and selling of rare-earth concentrates, rare-earth deep-processed products and rare-earth new materials; development, production and selling of rare high-tech application products; export of rare-earth products, rechargeable batteries and hardware chemical products that company produced; import of raw materials and accessories, mechanical equipment, instrument and meters, parts and components; production and selling of smelting and chemical products; technology consultation and information service.

31. TianJin Hongfeng Industry Company Limited (000594)

Main business involves zinc, lead, gold and silver exploitation, processing, smelting

and selling.

32. Qinghai Jinrui Mineral Development Co., Ltd. (600714)

Main business involves research, production, development, processing and selling of strontium series products, production and selling of casted products.

33. Yunnan Copper Co., Ltd. (000878)

Main business involves production and selling of electrolyzed copper and its processed products.

34. Ningxia Orient Tantalum Industry Co., Ltd. (000962)

Main business involves smelting, processing, research, development, production, selling and import & export of rare metals such as tantalum, niobium and beryllium.

35. Gaoxin Zhangtong Co., Ltd. (002075)

Main business involves production and selling of copper pipe for air-conditioner refrigerating, copper water tube and pipes, copper alloy and series products.

36. Chengde Xinxin Vanadium and Titanium Co., Ltd. (600357)

Main business involves production, selling and technology development of vanadium low alloy steel products and vanadium products (vanadium-iron alloy and vanadium pentoxide powder).

37. Zhuhai Shinning Metals Group Inc. (000405)

Main business involves production, processing and selling of non-ferrous metals.

Glass

1. Shandong Pharmaceutical Glass Co., Ltd. (600529)

Main business involves manufacturing and selling of pharmaceutical glass packing products.

2. Shandong Jinjing Science & Technology Stock Co., Ltd. (600586)

Main business involves manufacturing and selling of 4mm, 5mm, 8mm, 10mm, 12mm and other common float glass and high-quality float glass.

3. CSG Holding Co., Ltd. (000012)

Main business involves research, development, manufacturing and operation of high grade float glass plate, engineering glass, fine glass, automobile glass, new-type electronic components and porcelain materials products; design and installation of glass curtain wall, investment and industry setup.

4. Hubei Sanxia New Building Materials Co., Ltd. (600293)

Main business involves flat glass and glass deep-processed products.

5. Shanghai Yaohua Pilkington Glass Co., Ltd. (600819)

Main business involves production of clear float glass, tint glass and glass deep-processed products, selling of self-made products.

6. Fuyao Glass Group Industries Co., Ltd. (600660)

Main business involves manufacturing and selling of automobile glass.

7. Qinhuangdao Yaohua Glass Co., Ltd. (600716)

Main business involves manufacturing and selling of flat glass, industrial glass, glass steel products and unsaturated polyester resin.

8. HuBei New HuaGuang Information Materials Co., Ltd. (600184)

Main business involves manufacturing and selling of optical glass, optical functional glass, minicrystal glass baseboard and photo electronic materials.

9. Luoyang Glass Company Limited (600876)

Main business involves float flat glass production and glass second processing.

10. Anhui Fangxing Science & Technology Co., Ltd. (600552)

Main business involves research, development, production and selling of float glass, on-line coated glass, ITO conductive coating glass, glass deep-processed

products and new-type materials, also information consultation.

11. Shanghai Lenguang Industry Co., Ltd. (600629)

Main business involves production and selling of trichlorosilane, quartz glass products and electronic watt-hour meter, taxi operation.

Power Generation Equipment

1. Xiangtan Electric Manufacturing Co., Ltd. (600416)

Main business involves development, production and selling of large and medium scale alternating & direct current motors (including special motors), subway, light track, full set of new type traction electric apparatus for city track vehicles and machine, hundred-ton grade electromotive well-automatic discharge car, electro machine, special vehicle and other motor vehicles.

2. Guodian Nanjing Automation Co., Ltd. (600268)

Main business involves various automatic system and device in power system, transformer substation, relay protection and automatic control equipment in power station, electricity transmission and transformation equipment, low voltage electrical appliance, electrical automatic system and control equipment for railway, traffic, smelting, chemicals, petroleum and dock industries.

3. XJ Electric Co., Ltd. (000400)

Main business involves production and operation of grid dispatch automatization, electricity distribution network automatization, transformer station automatization, power station automatization, railway power supply automatization, grid safety & stability control, power management information

system, technology support system for power market, relay protection and automatic control device, relay, power communication device, medium-voltage switch and switch cabinet, transformer and chest transformer substation.

4. Shanghai Zhixin Electric Co., Ltd. (600517)

Main business involves research, development, production, processing and selling of non-crystal alloy transformer and part.

5. Henan Pinggao Electric Co., Ltd. (600312)

Main business involves manufacturing and selling high-voltage switch equipment, control equipment and parts; technology consultation and service; self-made products and related technologies import 7 export.

6. Tebian Electric Apparatus Stock Co., Ltd. (600089)

Main business involves manufacturing and selling transformer, electric wire & cable and accessories.

7. Shanghai Siyuan. Electric Co., Ltd. (002028)

Main business involves manufacturing and selling electricity transmission and distribution equipment. Currently it has formed product series with electric power and electronics equipment as main body, and high-voltage electric apparatus and inspection instrument as accessory parts.

8. Shanghai Power Transmission & Distribution Co., Ltd. (600627)

Main business involves full set of power station network, large and medium scale construction projects State planned and technology transformation projects, key basic construction projects and technology transformation projects in Province, Autonomous Region and municipality directly under the Central Government, foreign construction projects. High and low voltage power transmission and transformation equipment, transformer, automatic control device, track power

supply equipment, nuclear power supply equipment, modern building structure and household appliance, etc.
