France SEB Group is a famous enterprise of cookware and small home appliances in the world, with six global leading brands and 18 regional brands, as well as 20 plants in Europe, Americas and Asia. SEB has been expanding its market through mergers and acquisitions; it achieved the revenue of nearly EUR4 billion in 2011.

Supor has five major production bases in the world, and it is a well-known brand in Chinese stainless steel tableware and kitchenware market as a subsidiary of SEB in China. In H1 2012, Supor's revenue reached RMB3.338 billion, of which 70% was generated by Chinese market. Supor's overseas revenue mainly comes from SEB's transfer orders and North America. In H1 2012, due to the weak demand, Supor saw a decline in the overseas revenue.

Linkfair ranks first in the export value of stainless steel tableware and kitchenware in China. It released its prospectus to raise RMB340 million to expand the production capacity in H1 2012.
