

China Wood Products Manufacturing Industry Report, 2007

- The wood products manufacturing industry, as one of the most important export industries in China, has developed rapidly since the year of 1994. It has become the key investment objective for Taiwan- and Hong Kong-based enterprises gradually, and most of the wood products are for export. The year of 2004 witnessed a dramatic increase of real estate demand in China, and then the wood products manufacturing industry was also embraced huge domestic demand. Owe to the strong demand of real estate in the future, the international and domestic demand would jointly promote the rapid development of China's wood products manufacturing industry.

Output and Growth Margin of Artificial Board in China

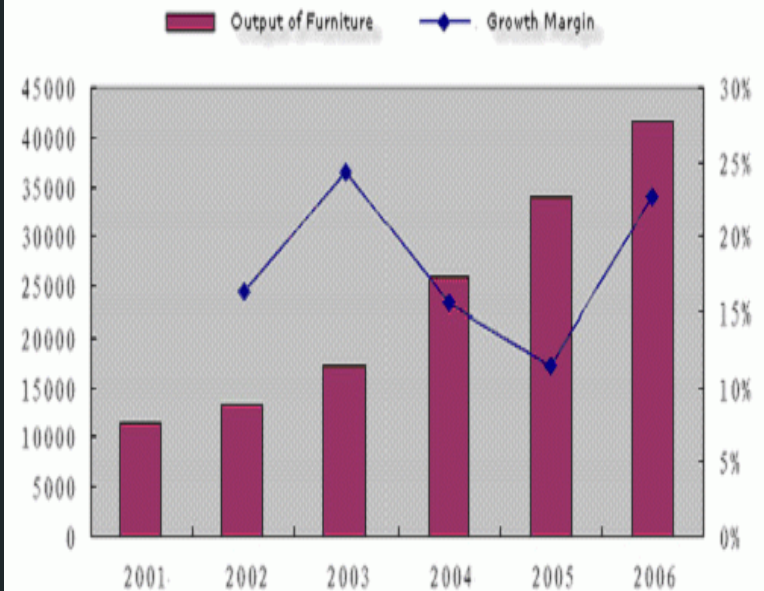

Unit: 10,000 Cubic Meters

Source: Wind Info

Output and Growth Margin of Furniture in China

Unit: 10,000 Pieces

Source: Wind Info

- The wood products manufacturing industry mainly concludes three sub-industries, that is, artificial board manufacturing industry, wood furniture manufacturing industry and wood flooring manufacturing industry.
- Currently, the low capital requirement and technology barrier of wood products manufacturing industry in China has caused rampant competition in the market. However, the leading companies in some professional and specific segmented markets have grown up, and the concentration of the industry is forming. Due to the global industrial adjustment, China's wood products manufacturing industry has obtained huge development potential.
- This report is on the basis of a large amount of information issued and provided by National Bureau of Statistics, General Administration of Customs, State Forestry Bureau, and Ministry of Commerce, etc. It researches the status quo, competition layout, relevant policies, and development trend of China wood products manufacturing industry in China.

Table of Contents

- 1 Forestry Resource
 - 1.1 Global Forestry Resource
 - 1.2 China's Forestry Resource
- 2 Forestry Industry Analysis
 - 2.1 Supply
 - 2.2 Demand
 - 2.3 Price Fluctuation
- 3 Relevant Policies of the Industry
 - 3.1 Natural Forest Protection Project
 - 3.2 Essentials of Forestry Industry Policies
- 4 Industry Concentration
 - 4.1 Entry Barrier
 - 4.2 Scale Economy and Industry Standardization
 - 4.3 Industry Concentration
- 5 Industry Characteristics
 - 5.1 External Characteristics and Its Influence
 - 5.1.1 Structure Adjustment of Global Wood Products Industry
 - 5.1.2 Influence of Foreign Trade Policy
 - 5.1.3 Trade Barrier and Friction Influence
 - 5.2 Periodicity

- 6 Key Companies

- 6.1 Guangdong Yihua Timber Industry Co., Ltd

- 6.1.1 Operation

- 6.1.2 Output Capacity

- 6.1.3 Characteristics and Competition Advantages

- 6.2 Dare Technology Co., Ltd

- 6.2.1 Company Profile

- 6.2.2 Characteristics

- 6.2.3 Industry Structure

- 6.2.4 Profitability

- 6.2.5 Profitability Forecast in 2008

- 6.3 Jilin Forestry Industry Co., Ltd

- 6.3.1 Operation

- 6.3.2 Competitiveness

- 6.4 Markor International Furniture Co., Ltd

- 6.5 Dehua TB New Decoration Material Co., Ltd

- 6.5.1 Operation

- 6.5.2 Competitiveness and Risks

- 6.6 Fujian Yongan Forestry (Group) Joint-Stock Co., Ltd

- 6.6.1 Operation

- 6.6.2 Foreign Cooperation

Selected Charts

- Forestry Resource by Country

Age Group Structure of Forestry Resource in China

Output and Growth Margin of Timber in China

Output and Growth Margin of Saw Timber in China

Import and Growth Margin of Timber in China

Import and Growth Margin of Saw Timber in China

Forest Consumption Structure in China, 2006

Output and Growth Margin of Artificial Board in China

Output and Growth Margin of Furniture in China

Output and Growth Margin of Machine-Made Paper and Newsprint Paper in China

Price and Growth Margin of Fir (400*16)

Relationship between Timber Price and GDP Growth Margin in China

Price Fluctuation of White Pine Log (400*18) Imported from Russia, 2002-2007

Sales Revenue Structure of Guangdong Yihua Timber Industry Co., Ltd, 2006

Main Business Revenue and Operating Profit, 2004-2007

Development Course of Dare Technology Co., Ltd

Profit Source of Dare Technology Co., Ltd, 2006

Wood Flooring Series of Dare Technology Co., Ltd

Output Growth of Laminate Flooring in China

Annual Output Growth of Solid and Compound Flooring in China

Growth of Domestic Consumption of Medium-Density Fiber Board

Change of Gross Profit Margin of Dare Technology Co., Ltd

Main Business Revenue and Operating Profit, 2004-2007

Revenue Structure of Jilin Forestry Industry Co., Ltd

Profit Structure of Jilin Forestry Industry Co., Ltd

Revenue by Region, 2006

- Main Business Revenue and Operating Profit of Markor International Furniture Co., Ltd, 2004-2007
Sales Revenue Structure of Markor International Furniture Co., Ltd, 2007
Profit Structure of Markor International Furniture Co., Ltd, 2007
Main Business Revenue and Operating Profit of Dehua TB New Decoration Material Co., Ltd, 2004-2007
Main Revenue by Product, 2006
Growth of Sales Revenue of Dehua TB New Decoration Material Co., Ltd by Product, 2006
Change of Gross Profit Margin, 2002-2006
Main Business Revenue and Operating Profit of Fujian Yongan Forestry Joint-Stock Co., Ltd, 2004-2007
Revenue and Gross Profit Margin of Fujian Yongan Forestry Joint-Stock Co., Ltd
Comparison of Forestry Resource between China and the World
Age Group Structure of Forestry Resource in China
Timber Import Price and Y-o-Y Growth in China, Jan-May, 2007
Change of Relevant Policies of Forestry
Operating Revenue Structure of Listed Companies in Wood Products Manufacturing Industry
Key Laminate Flooring Companies in China
Rank of Key Fiber Board Companies in China by Output Capacity
Forestry Resource Distribution of Fujian Yongan Forestry Joint-Stock Co., Ltd
